(b) Claims, losses, and damages covered—

(1) Claims by third persons for death, bodily injury, sickness, or disease, or the loss, damage, or lost use of property. Claims include those for reasonable expenses of litigation or settlement. The term “third persons” includes employees of the contractor;

(2) The loss, damage, and lost use of the Contractor's property, but excluding lost profit; and

(3) Loss, damage, or lost use of the Government's property.

(c) The claim, loss, or damage—

(1) Must arise from the direct performance of this contract;

(2) Must not be compensated by insurance or other means, or be within deductible amounts of the Contractor's insurance;

(3) Must result from an unusually hazardous risk as specifically defined in the contract;

If the cost of this insurance is higher than the cost of the insurance the Contractor had as of the

date of the contract, the Government shall reimburse the Contractor for the difference in cost, as long as it is properly allocable to this contract and is not included in the contract price. The Government shall not be liable for claims, loss, or damage if insurance was available and is either required or approved under this paragraph.

(e) A reduction of the insurance coverage maintained by the Contractor on the date of the execution of this contract shall not increase the Government's liability under this clause unless the Contracting Officer consents, and the contract price is equitably adjusted, if appropriate, to reflect the Contractor's consideration for the Government's assumption of increased liability.

(f) *Notice.* The Contractor shall—

(1) Promptly notify the Contracting Officer of any occurrence, action, or claim that might trigger the Government's liability under this clause;

(2) Furnish the proof or evidence of any claim, loss, or damage in the form and manner that the Government requires; and

(1) The Contracting Officer gave prior written approval for the Contractor to provide in a subcontract for the Contractor to indemnify the subcontractor for unusually hazardous risks defined in this contract;

(2) The Contracting Officer approved those indemnification provisions;

(3) The subcontract indemnification provisions entitle the Contractor, or the Government, or both, to direct, participate in, and supervise the settlement or defense of relevant actions and claims; and

(4) The subcontract provides the same rights and duties, the same provisions for notice, furnishing of papers and the like, between the Contractor and the subcontractor, as exist between the Government and the Contractor under this clause.

(i) The Government may discharge its obligations under paragraph (h) of this clause by making payments directly to subcontractors or to persons to whom the subcontractors may be liable.

(i) All or substantially all of the Contractor's business;

(ii) All or substantially all of the Contractor's operations at any one plant or separate location where this contract is being performed; or

(iii) A separate and complete major industrial operation connected with the performance of this contract;

(h) Under this clause, a claim, loss, or damage arises from the direct performance of this contract if the cause of the claim, loss, or damage occurred during the period of performance of this contract or as a result of the performance of this contract.

(i) *Flowdown.* The Government shall indemnify the Contractor if the Contractor has an obligation to indemnify a subcontractor under any subcontract at any tier under this contract for the unusually hazardous risk identified in this contract only if—

(1) The Contracting Officer gave prior written approval for the Contractor to provide in a subcontract for the Contractor to indemnify the subcontractor for unusually hazardous risks defined in this contract;

(2) The Contracting Officer approved those indemnification provisions;

(3) The subcontract indemnification provisions entitle the Contractor, or the Government, or both, to direct, participate in, and supervise the settlement or defense of relevant actions and claims; and

(4) The subcontract provides the same rights and duties, the same provisions for notice, furnishing of paper and the like, between the Contractor and the subcontractor, as exist between the Government and the Contractor under this clause.
