Title of Information Collection: Point-of-Sale Campaign: Online Quantitative Study of Reactions to Rough-Cut Advertising Designed to Encourage Adult Smokers to Quit Smoking

Paperwork Reduction Act Statement: The public reporting burden for this information collection has been estimated to average 2 minutes per response to complete the survey (the time estimated to read and complete). Send comments regarding this burden estimate or any other aspects of this information collection, including suggestions for reducing burden, to PRASstaff@fda.hhs.gov.

[Intro Language]

Thank you for your interest in participating in a study. We would like to ask you questions to determine your eligibility to participate in a survey about how you perceive different communication materials for a public health campaign. This eligibility survey should take about 5 minutes to complete.

//PROGRAMMER NOTE: DATE CAPTURE TOOL//

Question Type: Open End Numerical

Q14: What is your zip code?

Variable Label: Q14: Zip Code

//PROGRAMMER NOTE: ONLY ALLOW 5 DIGIT NUMBERS//

TERMINATION LANGUAGE

Thank you for completing this survey. Unfortunately, based on the responses you provided, you do not meet the specifications we are looking for in this study. We appreciate your time today in answering the questions.

Additional termination language shown to potential participants who have been asked questions about tobacco use but do not screen in for the study:

If you are thinking about quitting, you are advised to speak with your healthcare provider for more information on ways to quit tobacco that could work for you.

ELIGIBILITY LANGUAGE

Thank you for your time today. We would like to invite you to participate in a survey. Please select the next button to continue.
