The Real Cost Campaign: Online Quantitative Study of Reactions to Rough-Cut Advertising Designed to Prevent Youth Tobacco Use

Adult Questionnaire

WELCOME PAGE

[TEXT FOR PARTICIPANTS]: "Please answer the questions on the following pages as honestly as possible. Remember to read the instructions carefully."

[Each item on the Copy Testing Questionnaire will be presented in a separate page, separated by a "NEXT" button. There will also be a "BACK" button presented on each page in case youth accidentally skip a question.]

[Not all questions will be asked to all participants, participants will get questions based on how they screen into the study. All surveys will take no longer than 20 minutes to complete]

PART I

[Questions to be presented prior to showing rough-cut advertisements to ALL PARTICIPANTS – (Part 1 questions are only asked once)]

- A 1. Does anyone who lives with you now... (Select all that apply)
 - A. Smoke cigarettes?
 - B. Use vapes, Juuls, electronic cigarettes, e-cigs, vape pens, mods or a hookah pen?
 - C. Use smokeless tobacco (such as snus pouches, moist snuff, dip, spit, or chewing tobacco)?
 - D. Use any other form of tobacco?
 - E. No one who lives with me now uses any form of tobacco
- A 2. How many cigarettes per day do you smoke?
 - A. 10 or fewer (half a pack)
 - B. 11 to 20 (about a pack a day)
 - C. 21 to 30 (about a pack and a half a day)
 - D. More than 31 (2 packs or more a day)
- A_3. How soon after you wake up do you smoke your first cigarette?
 - A. Within 5 minutes
 - B. 6 to 30 minutes
 - C. 31 to 60 minutes
 - D. After 60 minutes

A_4. On a scale of 1–7, where 1 is "not at all motivated" and 7 is "highly motivated," how motivated are you to quit smoking cigarettes in the next 12 months? Click to slide the bar to the desired response. Only whole numbers 1 through 7 are accepted.

Not at all	1					Highly
Motivated						Motivated
1	2	3	4	5	6	7
