

## 2019 NIOSH Centers Grantee Meeting Evaluation - Invitation Email

Dear NIOSH Centers Grantee:

You are invited to participate in an evaluation of the 2019 NIOSH Centers Grantee Meeting that was held August 20-21, 2019 at the University of Cincinnati (Cincinnati, OH).

Your input will be invaluable to the planning efforts for the 2021 NIOSH Centers Grantee Meeting, which will be held at the University of Utah (Salt Lake City, UT)

Participation in this evaluation includes clicking the link below and providing your responses to the evaluation questions. The evaluation will take less than 10 minutes to complete.

**[SURVEYMONKEY LINK TO BE PROVIDED HERE]**

**This evaluation is approved under OMB Control Number [XXX-YYYY].**

For additional information, please contact Dr. Jessica Streit, NIOSH Office of Research Integration, at [jstreit@cdc.gov](mailto:jstreit@cdc.gov). You may also email Dr. Sarah Felknor, NIOSH Associate Director for Research Integration, at [sfelknor@cdc.gov](mailto:sfelknor@cdc.gov).

Thank you very much for your consideration of this evaluation!

Sincerely,

The NIOSH Centers Grantee Meeting Planning Team

Please select up to four (4).

- Informational panels
- NIOSH news and opportunities [excluding funding updates]
- Question Storming Session
- Open mic
- NIOSH funding updates
- Networking during the meeting
- Networking at the lunch and social
- Center meetings
- Other [specify]

4. [Select one]

For this evaluation, *engaging* refers to an activity that evoked the attention, curiosity, interest, optimism, and passion of Meeting participants.

How engaging was each of the following Meeting presentations and panels?

| <b>Meeting presentation or panel</b>                            | <b>Very engaging</b> | <b>Mostly engaging</b> | <b>A little engaging</b> | <b>Not at all engaging</b> |
|---|----------------------|------------------------|--------------------------|----------------------------|
| Future of Work Initiative at NIOSH (Tamers)                     |                      |                        |                          |                            |
| Future of Work Panel (Lucchini, Punnett, Sorensen, Cain)        |                      |                        |                          |                            |
| Expanded Focus for OSH Panel (Seixas, Delclos, Schulte, Newman) |                      |                        |                          |                            |
| Future Research Allocation: BNI Approach (Felknor)              |                      |                        |                          |                            |
| NIOSH News and Opportunities (Kitt)                             |                      |                        |                          |                            |
| Wikipedia (Morata)  |                      |                        |                          |                            |
| Outreach Opportunities (Flynn)                                  |                      |                        |                          |                            |
| FY2020 Funding Updates (DiMuzio)                                |                      |                        |                          |                            |
| Changes to the Common Rule (Morley)                             |                      |                        |                          |                            |
| New FOAs for Centers (Robison)                                  |                      |                        |                          |                            |

5. [Select one]

For this evaluation, *relevant* refers to an activity with a close connection to the Centers' interests.

How relevant was each of the following to your Center's goals and activities (either current or upcoming)?

|   | Very relevant | Mostly relevant | A little relevant | Not at all relevant |
|---|---------------|-----------------|-------------------|---------------------|
| <b>Meeting presentation or panel</b>                            |               |                 |                   |                     |
| Future of Work Initiative at NIOSH (Tamers)                     |               |                 |                   |                     |
| Future of Work Panel (Lucchini, Punnett, Sorensen, Cain)        |               |                 |                   |                     |
| Expanded Focus for OSH Panel (Seixas, Delclos, Schulte, Newman) |               |                 |                   |                     |
| Future Research Allocation: BNI Approach (Felknor)              |               |                 |                   |                     |
| NIOSH News and Opportunities (Kitt)                             |               |                 |                   |                     |
| Wikipedia (Morata)  |               |                 |                   |                     |
| Outreach Opportunities (Flynn)                                  |               |                 |                   |                     |
| FY2020 Funding Updates (DiMuzio)                                |               |                 |                   |                     |
| Changes to the Common Rule (Morley)                             |               |                 |                   |                     |
| New FOAs for Centers (Robison)                                  |               |                 |                   |                     |

6. [Ranking]

The NIOSH webinar series is an available mechanism to continue dialogue on topics discussed at the Meeting. Please rank the following prospective FY2020 webinar topics in order of preference, with 1 indicating your most preferred topic (i.e., the webinar you would be most interested in attending).

- \_\_\_\_\_ Future of work
- \_\_\_\_\_ Expanded Focus for OSH
- \_\_\_\_\_ Burden, Need, and Impact
- \_\_\_\_\_ Other [please specify]

7. [Select one]

For this evaluation, *meaningful* refers to an activity with a purpose that is serious, important, or useful.

How meaningful was your participation in the Question Storming session on Day 1 of the Meeting?

- Very meaningful
- Mostly meaningful
- A little meaningful
- Not at all meaningful
- Not applicable - I did not attend a Question Storming Session on Day 1.

8. [Select one]

Would your Center be interested in receiving updates as NIOSH continues to work on the challenges we discussed during the Question Storming session?

- Yes. My Center would be interested in receiving updates on NIOSH's progress.
- No. My Center would not be interested in receiving updates on NIOSH's progress.

9. [Select one]

For this evaluation, *productive* refers to an activity that achieves a useful or effective result.

How productive was the Center Business Meeting (Ag, CON, ERC, or TWH) you attended on Day 2 of the Meeting?

- Very productive
- Mostly productive
- A little productive
- Not at all productive
- Not applicable - I did not attend a Center Business Meeting on Day 2.

10. [Open field]

What might we do differently at future Centers Grantee meetings to improve their effectiveness for you?

[text box for responses]

11. [Open field]

Is there anything else you want us to know?

[text box for responses]

**This is the end of the 2019 Centers Grantee Meeting Evaluation.  
Thank you for your responses!**
