

## COVID-19 Response Worker Safety and Health Virtual TA Follow-Up Survey

Form Approved  
OMB No. 0920-0953  
Exp. Date 8/31/2021

The survey is for recipients of technical assistance on worker safety and health from CDC/NIOSH as part of the CDC COVID-19 response. We want to know your thoughts about our virtual assistance so we can improve in the COVID-19 response and future responses.

The survey is voluntary and will take about 12 minutes. The information you provide will be used for program improvement purposes only, will not be shared in any way that would identify you or your organization. NIOSH will keep information you provide private and secure to the extent permitted by law.

Public reporting burden of this collection of information is estimated to average 12 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333 ATTN: PRA (0920-0953)
