

We want to improve NCBI's products and services. We would like to learn more about how this site helps you with your work, and what we can do better. Please click "next" below to get started.

OMB Control Number: 0925-0648

Expiration Date: 05/31/2021

Public reporting burden for this collection of information is estimated to average 6 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

**1. Which professional category best describes you?**

- General Public
- Student
- Educator
- Researcher/Scientist
- Bioinformatics Professional
- Chemistry Professional
- Scientific Technician
- Computer Scientist / Software Developer
- Librarian/Information Specialist
- Other (please specify)

**2. Which of the following categories best describes your organization?**

- College or University
- Commercial / Industry
- Non-profit Organization
- Government
- None
- Other (please specify)

**3. What was your goal today?**

- Find information about a specific chemical
- Find a specific document, an article, book, report
- Find bioactivity information
- Find information about a specific target
- Provide scientific data to PubChem
- Other (please specify)

**4. How easy was it to find what you were looking for on your current visit to PubChem?**

- Extremely easy
- Very easy
- Somewhat easy
- Not so easy
- Not at all easy

**5. How do you use the information you found on this site? (Please check all that apply.)**

- Read it on a laptop or desktop computer
- Read it on a mobile device (phone or tablet)
- Download data
- Print it out
- Use tools and applications
- Email it
- Other (please specify)

**6. Overall, how well does our website meet your needs?**

- Extremely well
- Very well
- Somewhat well
- Not so well
- Not at all well

**7. Please provide any specific examples of any negative experiences you have had with PubChem.**

**8. Please indicate which PubChem resources you use.**

- PubChem web site
- Programmatic Services (PUG REST, ...)
- PUG VIEW
- PubChem FTP
- PubChem site screen scraping
- Other (please list)

**9. Which of these other similar resources do you use?**

- ChemSpider
- ChEMBL / ChEBI
- ScienceDirect
- SciFinder / Chemical Abstracts Service (CAS) / American Chemical Society
- Reaxys
- Other (please list)

**10. What other information do you wish that PubChem provided?**

**11. How likely is it that you would recommend this site to a friend or colleague?**

Not at all likely

Extremely likely

0	1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	---	----

**12. If there was one thing you could change about PubChem, what would it be?**

**13. Where do you get your information or news about PubChem? Please check all that apply.**

- PubChem Web pages / Help documents
- PubChem home page / News page
- Conference presentations
- Journals- printed or online
- NCBI Insights Blog, PubChem Blog, or other Blogs
- Social media (Twitter, Facebook, LinkedIn, Google+)
- NCBI or other YouTube videos
- Discussion groups or forums
- Work colleagues
- Other (please specify)
