

NIH Common Fund's 2018 High-Risk, High-Reward Research Symposium

Satisfaction Survey

The purpose of this voluntary survey by the NIH Common Fund is to collect feedback for the annual High-Risk, High-Reward Research (HRHR) Symposium and suggestions for improving it. The collected information will be kept private to the extent allowed by law. The survey is intended for those who did or did not attend the 2018 HRHR Symposium on June 6-8, 2018.

The survey is estimated to take 7 minutes to complete and is open until August 31, 2018.
