## AHRQ Safety Program for Intensive Care Units: Preventing CLABSI and CAUTI Form Approved

OMB No. 0935-XXXX Exp. Date XX/XX/20XX

## Appendix B. Action Plan

The ICU Team Lead is responsible for completing one Action Plan, and submitting the plan electronically in CDS, within 4 weeks after receiving results from the baseline ICU Assessment. The ICU project team is encouraged to work as a team to review various data sources (e.g. ICU assessment, infection data, or other surveys/assessments), to discuss actions, and complete this plan, to identify gap(s) to be targeted and addressed over the course of this program.

Complete one plan for each gap identified.

1. **Identified Gap** (describe)

2.	How did you identify the gap you have chosen to address? Select all that apply.	
	<ul> <li>Unit Data</li> <li>ICU Assessment</li> <li>Hospital Survey on Patient Safety Culture (HSOPS)</li> <li>Safety Attitudes Questionnaire (SAQ)</li> <li>Manchester Patient Safety Assessment Framework (MaPSaF)</li> <li>Other - Please specify source</li> </ul>	
3.	Reason for Choosing this Gap (For example, is the gap the most obvious barrier? Is this likely to be overcome at this time? Is this gap something the unit has overcome before	• .
4.	Desired Aim (Aim Statement, be specific, measurable, time-bound):	

Public reporting burden for this collection of information is estimated to average 120 minutes per response, the estimated time required to complete the survey. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: AHRQ Reports Clearance Officer Attention: PRA, Paperwork Reduction Project (0935-XXXX) AHRQ, 5600 Fishers Lane, # 07W41A, Rockville, MD 20857.

5.	What S	Strength Can be Used (Use the ICU Assessment for guidance or suggest another team strength that can d):
6.	Take S	teps to Strategize for Improvement
	a.	How will this happen? [Be specific and include important steps to make the idea/activity happen.]
	b.	Who will make this happen? [Be specific for each task.]
	c.	How do I know to move to next step and by when? [What does success look like? How will you track your progress?]
	d.	What could stand in the way of success and how will I address it?
	e.	Tools or Resources to Use [webinars, guides, checklists, TeamSTEPPS, CUSP toolkit, etc. Please be specific, select all that apply]  i. Option list A: CUSP toolkit tools and resources ii. Option list B: Program educational offerings
