Title: Home Visiting Career Trajectories.

OMB No.: New Collection.

Description: The Administration for Children and Families (ACF) at the U.S. Department of Health and Human Services (HHS), in collaboration with the Health Resources and Services Administration (HRSA), seeks approval to collect information from home visiting program staff in programs receiving funding through the Maternal, Infant, and Early Childhood Home Visiting (MIECHV) Program as part of the Home Visiting Career Trajectories study. Submission for OMB Review; Comment Request; State Plan for Grants to States for Refugee Resettlement

Description: A State Plan is required by 8 U.S.C. 1522 of the Immigration and Nationality Act (the Act) [Title IV, Sec. 412 of the Act] for each State agency requesting Federal funding for refugee resettlement under 8 U.S.C. 524 [Title IV, Sec. 414 of the Act], including Refugee Cash and Medical Assistance, Unaccompanied Minor Refugee Program, Refugee Social Services, and Targeted Assistance program funding. The State Plan is a comprehensive narrative description of the nature and scope of a States programs and provides assurances that the programs will be

The plan assures ORR that the State is capable of administering refugee assistance and coordinating employment and other social services for eligible caseloads in conformity with specific requirements. ORR proposes organizational and formatting changes to make the checklist more accessible to the user. Additionally, ORR proposes streamlining language to make the checklist easier to read. These proposed changes include technical corrections to regulatory citations. ORR proposes removing a number of requirements, including an assurance regarding the inclusion of refugee resettlement programs in pandemic influenza emergency plans and a basic description of providers conducting medical screening. ORR proposes to remove a requirement that all states describe a plan for the care, supervision of, and legal responsibility for, refugee children who become unaccompanied in the state. ORR also proposes to remove requirements specific to the Cuban/Haitian entrants and replace them with an assurance that states will provide all ORR-eligible populations with the
