According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is **0970-XXXX** and the expiration date is **XX/XX/XXXX**. The time required to complete this collection of information is estimated to average 10 minutes, including the time to review instructions, search existing data resources, gather the data needed and complete and review the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Mathematica Policy Research, 1100 1st Street, NE, 12th Floor, Washington, DC 20002, Attention: Tim Bruursema and reference the OMB Control Number **0970-XXXX**.

INTRODUCTION

ALL

Intro. We Grow Together study is an important part of a larger study supported under a contract from the U.S. Department of Health and Human Services, Administration for Children and Families to Mathematica Policy Research. The overall purpose of this study is to understand the use of the We Grow Together and how We Grow Together helps caregivers in center-based and family child care interact with infants and toddlers in ways that promote positive outcomes for children. The information from this study will be used for research and educational purposes to make We Grow Together better.

This survey requests feedback about your experience and satisfaction with the We Grow Together: Q-CCIIT professional development system training. Participation is voluntary. This survey will take approximately 10 minutes to complete.

How to complete the survey

Thank you for taking the time to complete this survey.

- There are no right or wrong answers.
- To answer a question, click the box to choose your response.
- To continue to the next webpage, press the **"Next"** or **"Continue"** button.
- To go back to the previous webpage, click the **"Back"** or **"Previous"** button. Please note that this command is only available in certain sections.
- If you need to stop before you have finished, the "Suspend" button at the bottom of each page allows you to exit the survey. The data you provide prior to clicking "Suspend" will be securely stored and available when you return to complete the survey.
- Please answer questions in the order they appear regardless of the question number. **Questions will not always be numbered sequentially**, and some may be skipped because they do not apply to you.
- For security purposes, you will be timed out if you are idle for longer than **30 minutes**.
- When you decide to continue the survey, you will need to log in again using your login ID and password.
- Your answers are important to us, but completion of this survey is voluntary. Choosing not to respond to these questions will have not affect your access to the We Grow Together resources. You do not have to answer questions you do not wish to answer.

- All information you share will remain private to the extent permitted by law. No one from your program will see or hear your individual responses, and your name will never be associated with or identified in study reports. The information we get will be used for research and educational purposes to make We Grow Together better.
