It also helps the public understand our information collection requirements and provides the requested data in the desired format.

A Federal Register notice with a 60-day public comment period soliciting comments on this collection of information was published on February 12, 2018 (83 FR 6049). No comments were received.

We are again soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of OSMRE; (2) is the estimate of burden accurate; (3) how might OSMRE enhance the quality, utility, and clarity of the information to be collected; and (4) how might OSMRE minimize the burden of this collection on the respondents, including through the use of information technology.
