PARTNER NETWORK SURVEY

Mathematica is conducting this brief survey on behalf of the U.S. Department of Labor. It is designed to help us understand the types of contacts you had or currently have with people in other organizations that also are involved in providing services to disconnected youth through the P3 intervention.

The names of these other organizations have been prefilled in the survey. However, if there are other organizations that you believe are members of the P3 intervention that are not included, please add them in the boxes marked "Other [please specify]." Please save your completed survey and return it via email to <P3 email address>.

Completion of the survey should take no more than 10 minutes. Your name and responses will be kept private to the extent of the law. Findings from the survey will be reported in aggregate form only so that no person can be identified.
