TITLE OF INFORMATION COLLECTION: Fire is Everyone’s Fight™ Initiative and Materials Evaluation FEMA Form 519-0-15

PURPOSE:

The purpose of this collection is to gather feedback on the Fire is Everyone’s Fight initiative and materials. Fire is Everyone’s Fight is a new initiative led by the US Fire Administration. Its focus is to provide fire and life safety educators and organizations with literacy friendly messaging and materials to assist them in educating the public on their fire risk. This initiative espouses a new concept for USFA. We are providing the graphic, tagline, literacy friendly messaging and a small amount of downloadable and customizable materials for organizations to use. We are relying on their knowledge of their communities’ risks and needs to drive how they use the materials. We would like to evaluate how this is working, what organizations like, don’t like, need and opinions on safety topics we should focus on next.

DESCRIPTION OF RESPONDENTS:

The survey will be emailed to registered partners and supporters of the initiative. These include organizations and individuals.
