

Dear WINDEXchange Newsletter Subscribers,

We've published wind industry news and events every two weeks since October 2010, and we recently marked the anniversary of our 100th issue. We're interested in feedback on how we can better serve your needs. Please complete this brief survey to let us know how we're doing and what you'd like to see in future issues.

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Office of the Chief Information Officer, Records Management Division, IM-23, Paperwork Reduction Project #1910-5160, U.S. Department of Energy, 1000 Independence Ave SW, Washington, DC, 20585-1290; and to the Office of Management and Budget (OMB), OIRA, Paperwork Reduction Project #1910-5160, Washington, DC 20503.
