10. ABSTRACT The U.S. Census Bureau requests authorization from the Office of Management and Budget (OMB) for revisions to the American Community Survey (ACS) data collection. The ACS allows the Census Bureau to provide more timely and relevant housing and socio-economic data while also reducing operational risks in the census by eliminating the long-form historically given to one in every six addresses. Content updates enable the ACS data collection to remain relevant to changes in the demographic, socio-economic, and housing characteristics of communities in U.S. and Puerto Rico.
