We need your input!

ICF, a consulting firm, is conducting 1-hour online group discussions on behalf of the Centers for Disease Control and Prevention (CDC) to get feedback on CDC's educational efforts to help people reduce their risk of Zika when travelling abroad.

To participate you must:

- Be 18-44 years old
- Be Hispanic/Latino
- Be born in or have a parent born in Latin America or the Caribbean
- Have traveled to your family's country of origin in the past 5 years or have plans to travel there in the next year
- Live in New York City, Los Angeles, or Orlando

Eligible participants will be given a \$10 Amazon gift card as a thank you for sharing their feedback.
