

## Attachment 15: Directory

The screenshot displays the TB Care Locator interface. At the top, navigation links include 'TB Care Locator', 'Learn more about Latent TB Infection', 'TB Controller Page', 'Search Health Resources', and 'En español'. The main content area features a search box with the text 'point loma california' and a 'Search' button. Below the search box, a map of San Diego County shows the location of the search results. To the right of the map, the following information is displayed:

San Diego Health & Human Services Public Health TB Control  
3851 Rosecrans St. Ste G28  
San Diego, CA, 92110  
(619) 692-5565  
tbcontrol@hhsa.sdcountry.ca.gov

At the bottom of the results panel, there are three buttons: 'Get Directions', 'Print', and 'View Letter'.

**Figure 1:** This screenshot is an example of what TB care directory users may see if they search a location in San Diego County. Users of the directory include panel physicians and immigrants.
