

1.1 Toluna USA Membership Site Terms

Terms of Use and Membership

Welcome to Toluna.com (this "Site"). By using this Site, registering as a member of Toluna, participating in the Toluna Points membership program ("Points" or "Toluna Points") or participating in any survey or study provided or hosted by Toluna (each, a "Survey" and collectively "Surveys"), you agree to these Terms of Use and Membership ("Terms"). If you do not agree, do not use this Site.

Toluna reserves the right, at its sole discretion, to change, modify, add or remove portions of these Terms, including our Privacy Policy, at any time. It is your responsibility to check these Terms periodically for changes. Your continued use of this Site following the posting of such changes will mean that you accept and agree to the changes. Provided you comply with these Terms, Toluna grants you a personal, non-exclusive, non-transferable, limited privilege to enter and use this Site.

Eligibility

Membership in any Toluna panel is free and is open to individuals only (not corporations or other business entities) that are at least thirteen (13) years of age or such other age as required by your geographic location. Membership in certain panels may be further restricted based on your age or geographic location. If you are less than eighteen (18) years of age and win any prize or receive any cash award through Toluna Points or other Toluna incentive program, then such award will be made to your legal guardian. You are permitted to have only one account.

Registration and Passwords

While you may access this Site without registering for membership in any Toluna panel, in order for an account to be established in your name and any Points properly credited to your account, you must complete the provided online registration form. To open a member account, you must provide Toluna with complete and valid contact information, including your full legal name, home address, valid e-mail address, and all other requested information. Your account must have a unique and valid e-mail address and password.

You agree to provide only accurate, current and complete registration information and to keep that information updated in order to maintain its accuracy. Toluna may terminate or suspend your membership and you may forfeit your Points if you fail to provide or keep your personal information accurate and complete.

You may use only one (1) password to open and access your account, and you may not use another account holder's password or allow anyone else to use your password, for any reason. You are solely responsible for the security of your user name and password and any activity that occurs under your membership account, whether authorized or unauthorized. Toluna will not be responsible for any losses incurred through the use of your password by a third party, except when unauthorized use is directly attributable to the gross negligence or fraud of Toluna. You agree to immediately notify Toluna of any unauthorized use or breach of your member account.

Should you forget your password, you may request that Toluna via e-mail send it to you so that you can regain use of your account. This procedure assumes that mention is made of your username, and that the e-mail address provided by you when registering is used (or the new one provided in the event of an update).

By joining as a member of Toluna's panels, you agree to receive invitations to participate in Toluna's Surveys and its third-party partners via e-mail. Toluna does not guarantee that you will receive a certain minimum volume of invitations

or any invitations at all. Your participation in any Survey and your disclosure of any personally-identifiable information is completely voluntary.

Relationship

You are responsible for providing any computer equipment and communications services necessary to connect to and access this Site. You agree that neither your membership in a Toluna panel nor your completion of any Surveys for Toluna and its clients create any agency, partnership or employment relationship. You also agree the Points or other incentives you receive for completing Surveys are the only compensation you will receive for your completion of Surveys.

1.1.2 Toluna Points Terms and Conditions

What are Points?

Toluna values our members' opinions, and to show our appreciation, Toluna offers incentives in the form of credits called "Points", which are credited to your account maintained by Toluna. Points are redeemable for cash, prizes or entries into sweepstakes as specified and subject to the terms below.

Earning Points

Points will be credited to your account only through your participation in activities authorized by Toluna, which include, but are not limited to, registration as a panelist, completion of demographic profiles and completion of qualitative or quantitative marketing research activities performed by Toluna, and only in accordance with the specific incentive offer disclosed for each activity. Specifically, you may earn points as follows:

- Survey Completion: Earn Points for each survey you qualify for and complete. Points awarded vary by survey.
- Personal Interest Survey (Profile) Completion: Panelists can earn additional Points by completing the member profiles. Each completed profile is worth an additional 100 Points.

In addition, you will earn entries into our monthly cash sweepstakes (see official rules below) with three lucky winners of \$2,500, \$1,000 and \$500, plus two prizes of \$250, when you initially join the community as well as when you attempt to take a survey, but do not qualify for the study. The timing of credits for points or sweepstakes entries depends on the Survey. For some Surveys, credits are applied very quickly or within a few days; for others, the credits are applied after the Survey has closed.

Toluna will maintain a record of the Points credited to and debited from your account and allow you to check the status of your account online by logging in and checking the "Your Points" page. Although Toluna makes every effort to ensure that accounts are credited correctly, it is your responsibility to verify that your Points have been credited properly. If you feel the incentive amounts credited to your account are incorrect, you must contact Toluna by email within 60 days following our alleged error and explain in full the basis of your dispute, attaching any relevant information which offers evidence of the discrepancy. Upon receipt of your notice, we will investigate your claim and notify you of our decision to adjust or maintain the amount of Points credited to your account, as we deem appropriate, within thirty (30) days. If we need additional time to decide your claim, we will notify you and will endeavor to render a decision as soon as reasonably practicable. Any decision by us with regard to such a claim will be final.

Redeeming Points

You can spend your Points by selecting "Get Rewards" from the "Rewards" menu, where you will be able to see the full list of rewards available for your country.

Points awarded for survey completion, personal interest surveys (formerly called profiles), and other participation on this Site are awarded in point values where 3,000 points = \$1. Points automatically convert to cash values whenever you request a payment or voucher. You can request payment when you have reached a minimum account balance of \$20, or 60,000 points. Cash payments will be made in multiples of \$20. For example, if you have a balance of \$22, and request a check, you will receive payment for \$20, and have \$2 remaining in your account.

You may only redeem your Points for cash prizes when you have accrued in excess of 60,000 Points (this threshold amount may be changed by Toluna from time to time) that are unexpired as of the date you request redemption, or for other non-cash rewards at the Point value stated. You may redeem your eligible Points at any time by notifying us via the Rewards Center. Upon receipt of such notice from you, Toluna will verify the amount in your account and will indicate to you the amount available for withdrawal. If you request a cash payment, Toluna will mail you a check within 8 weeks of your request. Please make sure that we have your correct address to avoid any delays in delivery. All rewards are void where prohibited by applicable federal, state or local laws or regulations and are subject to change as may be necessary to comply with such laws or regulations.

Vouchers

If you redeem your Points with paper vouchers, Toluna will send the paper voucher to the mailing address you provided to us in your online registration form. Toluna will only mail one paper voucher. If you do not receive the paper voucher and we reasonably determine that you are entitled to a replacement, such replacement voucher will be an electronic one. A member must request resending of a missing voucher within a time limit of 6 months from when the voucher was first ordered. Toluna will not process any orders made after this 6 month time limit.

Expiration of Points

When Points are credited to your account they will remain valid for one year from the date they are earned. If after this period the Points have not been used, they will automatically expire and be deleted from your account. This deduction will always occur towards the end of every month. For example, if you earned Points on March 15th, 2012, they will be removed from your account on March 28th, 2013, if they are still in your account.

In addition, all of your Points will immediately expire and be forfeited in the event that you cancel your account at Toluna or if your account becomes "inactive." To be an active member means that you have joined Toluna and participated in a Survey or other activity on this Site within 6 months from your initial registration and otherwise within the preceding 12 months. Toluna will not provide you with any notice of the cancellation and forfeiture of any of your Points. Toluna reserves the right to suspend these cancellation and forfeiture rules in its sole discretion.

Misconduct, Fraud and Correcting Account Errors

Toluna retains the right to monitor all member activity within Toluna Points. If required by law, if you have violated our Code of Conduct above, or in the event that your account shows signs of fraud, abuse or suspicious activity, your member account may be terminated and you may forfeit all accumulated Points. If you have conducted any fraudulent activity, Toluna reserves the right to take any necessary legal action and may have grounds to confiscate any rewards redeemed as a result of such activity. In addition, you may be liable for monetary losses to Toluna, including litigation costs and damages, and you will not be allowed to participate in Toluna Points in the future.

If your account does not accurately reflect your Point balance, Toluna reserves the right to correct such errors. If you have been awarded Points in error or you believe that your member account has been the subject of suspicious activity, please contact Toluna immediately. If it is determined that you have been the victim of fraud, the Points you have earned will be transferred to a new member account.

Transferability

Points have no cash value, and may not be assigned, transferred and/or pledged to any third party. You have no property rights or other legal interests in any rewards Points granted pursuant to the Program.

Program Duration & Changes to Rules

Any revisions may affect your ability to use any Points you accumulate. If the Program is terminated or your membership is terminated by Toluna other than as a result of your breach of these Terms, you will only have 30 days from such termination date to redeem all of your accumulated Points. If there is a modification to Toluna Points, we will endeavor to notify you; however, Toluna will not be responsible if you do not learn of the modification. The rewards offered and point levels required for specific rewards are subject to change without notice. All rewards are subject to availability.

If you play the Game using your Free Game Play, no Toluna Points will be deducted from your account. Winners are chosen randomly. You will be notified if you are a winner. Toluna Points are not transferable. Participants who use another Toluna member's Points to play or assign, transfer, pool, "lend", "sell", or exchange their Points to a third party to allow that person to play will be disqualified. In the event that a winner is under the age of eighteen (18), the real object will be awarded in the name of the winner's parent or legal guardian. Completion and eligibility are determined solely by Toluna. Toluna employees, family members of Toluna employees, and Toluna's suppliers, clients, distributors and/or sales agents, affiliates or subsidiaries, promotion and advertising agencies are not eligible to win. No purchase necessary to participate in the Game. If you are the first participant to play the Game at or after one of the randomly-generated times, you will be a potential winner of the prize indicated. The selection of potential winners is final and binding. The Game is void where prohibited. Any attempt by participant to obtain more than the stated number of plays by, e.g., using multiple or different Toluna accounts, email addresses, identities, registrations and logins, or any other methods will void that participant's plays and that participant may be disqualified from the Game. Any use of robotic, repetitive, automatic, programmed or similar entry methods or agents will void all Game plays by that participant. In the event of a dispute as to any Game play, the authorized holder of the account used to play will be deemed to be the participant. Potential winners may be required to show proof of being the authorized account holders.

Winner Selection:

Winners for each of the Game prizes will be selected at random, via computer-generated drawing. Potential prize winners must comply with the terms and conditions of these official rules. If a potential prize winner does not comply with these official rules, he/she will be disqualified from the Game, and the prize may be awarded to a potential alternate winner. Each potential winner (or the potential winner's parent or legal guardian if the winner is a minor in his/her state of residence) will be notified by email at the address associated with his/her account and may be required to sign and return to Toluna an Affidavit of Eligibility and Liability and Publicity Release (except where prohibited) (the "Affidavit"), to claim his/her prize, and to fulfill any such other requirements as determined by Toluna. If a potential winner cannot be contacted or does not sign and return the Affidavit, where required, within the required time period, the potential winner will be disqualified. If a potential winner is disqualified for any reason, and if time permits, Toluna may select an alternate winner in a random drawing from among all remaining eligible entries, up to 3 alternate drawings. If the potential alternate winners are disqualified, the applicable prize will not be awarded. Except where prohibited by law, by participating in the Game, participants (or minor winners' parent/legal guardian) consent to Toluna and Toluna's designees' use of their name, likeness, photograph, voice, biographical material, and city and province of residence for advertising, publicity and promotional purposes in any and all media now or hereafter known throughout the world in perpetuity, without additional compensation, notification or permission.

Prizes:

Odds of winning a Game prize depends on the number of Game prizes and the number of eligible Game plays during the Game Period. No substitution, exchange or transfer of prize by the winner. Prizes are not redeemable for cash value. Toluna reserves to substitute any prize for one of equal or greater value. Each prize winner is responsible for all taxes and fees associated with the receipt and/or use of the prize.

If for any reason the Game is not capable of running as planned for any reason, including, without limitation, due to regularly-scheduled maintenance, infection by computer virus, bugs, tampering, unauthorized intervention, fraud, technical failures, or any other causes which corrupt or affect the administration, security, fairness, integrity or proper conduct of the Game, Toluna reserves the right, at its sole discretion, to disqualify any individual who is responsible for or who tampers with the operation, security, or administration of the Game, and to cancel, modify or terminate the Game. If the Game has been discontinued for any reason, Toluna, at its discretion, may elect to hold a random drawing from among all eligible entries received up to the date of discontinuance for any or all of the prizes offered herein. ANY ATTEMPT BY YOU OR ANY OTHER INDIVIDUAL TO DELIBERATELY DAMAGE ANY WEBSITE OR UNDERMINE THE LEGITIMATE OPERATION OF THE GAME MAY BE A VIOLATION OF CRIMINAL AND CIVIL LAWS. SHOULD SUCH AN ATTEMPT BE MADE, TOLUNA RESERVES THE RIGHT TO SEEK DAMAGES FROM ANY SUCH PERSON TO THE FULLEST EXTENT PERMITTED BY LAW. Toluna's failure to enforce any term of these rules shall not constitute a waiver of that provision.

Release/Limitations of Liability:

Except where prohibited, by participating in the Game, participants agree to release and hold harmless Toluna, Toluna's parent, subsidiaries, affiliates, and promotional partners, and their respective agents and agencies, officers, directors, and employees (the "Released Parties") from and against any claim or cause of action arising out of participation in the Game or receipt or use or misuse of any prize, including, but not limited to: (a) unauthorized human intervention in the Game; (b) technical malfunctions related to computer hardware or software, servers, Internet connectivity, or telephone or network lines; (c) garbled, jumbled or faulty data transmissions; (d) typographical or printing errors in any Game-related materials; (e) errors in the administration of the Game or the processing of entries; (f) late, lost, delayed, intercepted or undeliverable mail or email; (g) unauthorized human or non-human intervention of the operation of the Game, including, without limitation, unauthorized tampering, hacking, theft, virus, bug, worm, or destruction of any aspect of the Game; or (h) injury or damage to persons or property which may be caused, directly or indirectly, in whole or in part, from participant's participation in the Game or receipt of any prize. Each participant further agrees that in any cause of action, the Released Parties' liability will be limited to the cost of participating in the Game and in no event shall the Released Parties be liable for attorney's fees. Participant waives the right to claim any damages whatsoever, including, but not limited to, punitive, consequential, direct, or indirect damages (other than for actual out-of-pocket expenses) and any and all rights to have damages multiplied or otherwise increased. If for any reason a participant's entry is confirmed to have been erroneously deleted, lost, or otherwise destroyed or corrupted, participant's sole remedy is another play in the Game, if it is possible. No more than the stated number of prizes for the Game will be awarded, and prizes are awarded "as is". In the event that production, technical, seeding, programming or any other reasons cause more than stated number of prizes as set forth in the Game to be claimed, Toluna reserves the right to award only the stated number of prizes by a random drawing among all legitimate, un-awarded, eligible prize claims.
