Title: VHA Homeless Programs, Project CHALENG (Community Homelessness Assessment, Local Education and Networking Groups) for Veterans.

OMB Control Number: 2900-0843.

Type of Review: Revision of a currently approved collection.

Abstract: In 1993 the Department of Veterans Affairs (VA) launched Project CHALENG (Community Homelessness Assessment, Local Education and Networking Groups) for Veterans in response to Public Law 102-405 which required VA to make an assessment of the needs of homeless Veterans in coordination with other Federal departments, state and local government agencies, and nongovernmental agencies with experience working with homeless persons. Since 1993, VA has administered a needs assessment in accordance with guidance in Public Law 103-446 and Public Law 105-114.

This collection of information is necessary to ensure that VA and community partners are developing services that are responsive to the needs of local homeless Veterans, in order to end homelessness and prevent new Veterans from experiencing homelessness. Over the years, data from CHALENG has assisted VA in developing new services for Veterans such as the Homeless Veteran Dental Program (HVDP), the expansion of the Department of Housing and Urban Development-VA Supportive Housing (HUD-VASH) Program, the Veterans Justice Programs and Supportive Services for Veteran Families (SSVF). In addition, community organizations use CHALENG data in grant applications to support services for homeless Veterans; grant applications are for VA, other Federal, local government, and community foundation dollars, which maximize community participation in serving homeless Veterans.
