RE: Nonsubstantive Revision to FDIC Form 6710-07 "Application Pursuant to Section 19 of the Federal Deposit Insurance Act"

The Federal Deposit Insurance Corporation is submitting a request for a nonsubstantive revision to its currently approved information collection entitled "Application Pursuant to Section 19 of the Federal Deposit insurance Act" (OMB Control No. 3064-0018; Expiration Date: June 30, 2020) to correct a typographical error on the form used in the information collection.

The form submitted to OMB at the time of the last renewal of this information collection contained an error in the fourth paragraph of the Privacy Act Statement found on the first page of the form wherein the FDIC System of Records Notice number was incorrectly referenced. We are uploading a revised version of FDIC Form 6710-07 that shows the correct SORN (30-64-0002).

If you have questions, please let me know. Thank you for your consideration.
