COMMISSION ON THE OPERATION OF THE SENATE

Pub. L. 94-252, Mar. 30, 1976, 90 Stat. 294, provided that: "On and after the date of the enactment of the joint resolution [Mar. 30, 1976], the provisions of section 8344 of title 5, United States Code, shall not apply to any individual serving as a member of the Commission on the Operation of the Senate."

§8345. Payment of benefits; commencement, termination, and waiver of annuity

(a) Each annuity is stated as an annual amount, one-twelfth of which, rounded to the next lowest dollar, constitutes the monthly rate payable on the first business day of the month after the month or other period for which it has accrued.

(b) (1) Except as otherwise provided-

(A) an annuity of an employee or Member commences on the first day of the month after-

- (i) separation from the service; or
- (ii) pay ceases and the service and age requirements for title to annuity are met; and

(B) any other annuity payable from the Fund commences on the first day of the month after the occurrence of the event on which payment thereof is based.

(2) The annuity of-

(A) an employee involuntarily separated from service, except by removal for cause on charges of misconduct or delinquency; and

(B) an employee or Member retiring under section 8337 of this title due to a disability;

shall commence on the day after separation from the service or the day after pay ceases and the service and age or disability requirements for title to annuity are met.

(c) The annuity of a retired employee or Member terminates on the day death or other terminating event provided by this subchapter occurs. The annuity of a survivor terminates on the last day of the month before death or other terminating event occurs.

(d) An individual entitled to annuity from the Fund may decline to accept all or any part of the annuity by a waiver signed and filed with the Office of Personnel Management. The waiver may be revoked in writing at any time. Payment of the annuity waived may not be made for the period during which the waiver was in effect.

(e) Payment due a minor, or an individual mentally incompetent or under other legal disability, may be made to the person who is constituted guardian or other fiduciary by the law of the State of residence of the claimant or is otherwise legally vested with the care of the claimant or his estate. If a guardian or other fiduciary of the individual under legal disability has not been appointed under the law of the State of residence of the claimant, payment may be made to any person who, in the judgment of the Office, is responsible for the care of the claimant, and the payment bars recovery by any other person.

[(f) Repealed. Pub. L. 99-251, title III, §305(a), Feb. 27, 1986, 100 Stat. 26.]

(g) The Office shall prescribe regulations to provide that the amount of any monthly annuity payable under this section accruing for any month and which is computed with regard to service that includes any service referred to in section 8332(b)(6) performed by an individual prior to January 1, 1969, shall be reduced by the portion of any benefits under any State retirement system to which such individual is entitled (or on proper application would be entitled) for such month which is attributable to such service performed by such individual before such date.

(h) An individual entitled to an annuity from the Fund may make allotments or assignments of amounts from his annuity for such purposes as the Office of Personnel Management in its sole discretion considers appropriate.

(i) (1) No payment shall be made from the Fund unless an application for benefits based on the service of an employee or Member is received in the Office of Personnel Management before the one hundred and fifteenth anniversary of his birth.

(2) Notwithstanding paragraph (1) of this subsection, after the death of an employee, Member, or annuitant, no benefit based on his service shall be paid from the Fund unless an application therefor is received in the Office of Personnel Management within 30 years after the death or other event which gives rise to title to the benefit.

(j) (1) Payments under this subchapter which would otherwise be made to an employee, Member, or annuitant based on service of that individual shall be paid (in whole or in part) by the Office to another person if and to the extent expressly provided for in the terms of-

(A) any court decree of divorce, annulment, or legal separation, or the terms of any court order or court-approved property settlement agreement incident to any court decree of divorce, annulment, or legal separation; or

(B) any court order or other similar process in the nature of garnishment for the enforcement of a judgment rendered against such employee, Member, or annuitant, for physically, sexually, or emotionally abusing a child.

In the event that the Office is served with more than 1 decree, order, or other legal process with respect to the same moneys due or payable to any individual, such moneys shall be available to satisfy such processes on a first-come, first-served basis, with any such process being satisfied out of such moneys as remain after the satisfaction of all such processes which have been previously served.

(2) Paragraph (1) shall only apply to payments made by the Office under this subchapter after the date of receipt in the Office of written notice of such decree, order, other legal process, or agreement, and such additional information and documentation as the Office may prescribe.

(3) For the purpose of this subsection-

(A) the term "court" means any court of any State, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Northern Mariana Islands, or the Virgin Islands, and any Indian court;

(B) the term "judgment rendered for physically, sexually, or emotionally abusing a child" means any legal claim perfected through a final enforceable judgment, which claim is based in whole or in part upon the physical, sexual, or emotional abuse of a child, whether or not that abuse is accompanied by other actionable wrongdoing, such as sexual exploitation or gross negligence; and

(C) the term "child" means an individual under 18 years of age.

(k) (1) The Office shall, in accordance with this subsection, enter into an agreement with any State within 120 days of a request for agreement from the proper State official. The agreement shall provide that the Office shall withhold State income tax in the case of the monthly annuity of any annuitant who voluntarily requests, in writing, such withholding. The amounts withheld during any calendar quarter shall be held in the Fund and disbursed to the States during the month following that calendar quarter.

(2) An annuitant may have in effect at any time only one request for withholding under this subsection, and an annuitant may not have more than two such requests in effect during any one calendar year.

(3) Subject to paragraph (2) of this subsection, an annuitant may change the State designated by that annuitant for purposes of having withholdings made, and may request that the withholdings be remitted in accordance with such change. An annuitant also may revoke any request of that annuitant for withholding. Any change in the State designated or revocation is effective on the first day of the month after the month in which the request or the revocation is processed by the Office, but in no event later than on the first day of the second month beginning after the day on which such request or revocation is received by the Office.

(4) This subsection does not give the consent of the United States to the application of a statute which imposes more burdensome requirements on the United States than on employers generally, or which subjects the United States or any annuitant to a penalty or liability because of this subsection. The Office may not accept pay from a State for services performed in withholding State income taxes from annuities. Any amount erroneously withheld from an annuity and paid to a State by the Office shall be repaid by the State in accordance with regulations issued by the Office.

(5) For the purpose of this subsection, "State" means a State, the District of Columbia, or any territory or possession of the United States.

(l) Transfers of contributions and deposits authorized by section 408(a)(3) of the Foreign Service Act of 1980 shall be deemed to be a complete and final payment of benefits under this chapter.

#### REGULATIONS; EFFECTIVE DATE OF 1996 AMENDMENT

Section 1043(b), (c) of Pub. L. 104-106 provided that:

"(b) REGULATIONS.— Not later than 6 months after the date of the enactment of this Act [Feb. 10, 1996], the Office of Personnel Management (and each of the other administrative authorities, within the meaning of subsection (c)(2)(C)(iii)) shall prescribe any regulations (or make any modifications in existing regulations) necessary to carry out this section [amending this section and sections 3502 and 8461 of this title and enacting provisions set out as a note under section 3502 of this title] and the amendments made by this section, including regulations to provide for the notification of individuals who may be affected by the enactment of this section. All regulations (and modifications to regulations) under the preceding sentence shall take effect on the same date.

"(c) APPLICABILITY; RELATED PROVISIONS.—

"(1) PROSPECTIVE RULES.— Except as otherwise provided in this subsection, the amendments made by this section [amending this section and sections 3502 and 8461 of this title] shall apply with respect to moves occurring on or after the effective date of the regulations under subsection (b). Moves occurring on or after the date of the enactment of this Act [Feb. 10, 1996] and before the effective date of such regulations shall be subject to applicable provisions of title 5, United States Code, disregarding the amendments made by this section, except that any individual making an election pursuant to this sentence shall be ineligible to make an election otherwise allowable under paragraph (2).

"(2) RETROACTIVE RULES.—

"(A) IN GENERAL.—The regulations under subsection (b) shall include provisions for the application of sections 8347(q) and 8461(n) of title 5, United States Code, as amended by this section, with respect to any individual who, at any time after December 31, 1965, and before the effective date of such regulations, moved between positions in circumstances that would have qualified such individual to make an election under the provisions of such section 8347(q) or 8461(n), as so amended, if such provisions had then been in effect.

"(B) DEADLINE; RELATED PROVISIONS.—An election pursuant to this paragraph—

"(i) shall be made within 1 year after the effective date of the regulations under subsection (b), and

"(ii) shall have the same force and effect as if it had been timely made at the time of the move, except that no such election may be made by any individual—

"(I) who has previously made, or had an opportunity to make, an election under section 8347(q) or 8461(n) of title 5, United States Code (as in effect before being amended by this section); however, this subclause shall not be considered to render an individual ineligible, based on an opportunity arising out of a move occurring during the period described in the second sentence of paragraph (1), if no election has in fact been made by such individual based on such move;

"(II) if such election would be based on a move to the Civil Service Retirement System from a retirement system established for employees described in section 2105(c) of such title.

"(III) if such election would be based on a move to the Civil Service Retirement System from a retirement system established for employees described in section 2105(c) of such title.

"(C) TRANSFERS OF CONTRIBUTIONS.—

"(i) IN GENERAL.—If an individual makes an election under this paragraph to be transferred back to a retirement system in which such individual previously participated (in this section referred to as the 'previous system'), all individual contributions (including interest) and Government contributions to the retirement system in which such individual is then currently participating (in this section referred to as the 'current system'), excluding those made to the Thrift Savings Plan or any other defined contribution plan, which are attributable to periods of service performed since the move on which the election is based, shall be paid to the fund, account, or other repository for contributions made under the previous system. For purposes of this section, the term 'current system' shall be considered also to include any retirement system (besides the one in which the individual is participating at the time of making the election) in which such individual previously participated since the move on which the election is based.

"(ii) CONDITION SUBSEQUENT RELATING TO REPAYMENT OF LUMP-SUM CREDIT.—In the case of an individual who has received such individual's lump-sum credit (within the meaning of section 8401(19) of title 5, United States Code, or a similar payment) from such individual's previous system, the payment described in clause (i) shall not be made (and the election to which it relates shall be ineffective) unless such lump-sum credit is redeposited or otherwise paid at such time and in such manner as shall be required under applicable regulations. Regulations to carry out this clause shall include provisions for the computation of interest (consistent with section 8334(e)(2) and (3)

of title 5, United States Code), if no provisions for such computation otherwise exist.

"(iii) CONDITION SUBSEQUENT RELATING TO DEFICIENCY IN PAYMENTS RELATIVE TO AMOUNTS NEEDED TO ENSURE THAT BENEFITS ARE FULLY FUNDED.—

"(I) IN GENERAL.—Except as provided in subclause (II), the payment described in clause (i) shall not be made (and the election to which it relates shall be ineffective) if the actuarial present value of the future benefits that would be payable under the previous system with respect to service performed by such individual after the move on which the election under this paragraph is based and before the effective date of the election, exceeds the total amounts required to be transferred to the previous system under the preceding provisions of this subparagraph with respect to such service, as determined by the authority administering such previous system (in this section referred to as the 'administrative authority').

"(II) PAYMENT OF DEFICIENCY.—A determination of a deficiency under this clause shall not render an election ineffective if the individual pays or arranges to pay, at a time and in a manner satisfactory to such administrative authority, the full amount of the deficiency described in subclause (I).

"(D) ALTERNATIVE ELECTION FOR AN INDIVIDUAL THEN PARTICIPATING IN FERS.—

"(i) APPLICABILITY.—This subparagraph applies with respect to any individual who—

"(I) is then currently participating in FERS; and

"(II) would then otherwise be eligible to make an election under subparagraphs (A) through (C) of this paragraph, determined disregarding the matter in subclause (I) of subparagraph (B) before the first semicolon therein.

"(ii) ELECTION.—An individual described in clause (i) may, instead of making an election for which such individual is otherwise eligible under this paragraph, elect to have all prior qualifying NAFI service of such individual treated as creditable service for purposes of any annuity under FERS payable out of the Civil Service Retirement and Disability Fund.

"(iii) QUALIFYING NAFI SERVICE.—For purposes of this subparagraph, the term 'qualifying NAFI service' means any service which, but for this subparagraph, would be creditable for purposes of any retirement system established for employees described in section 2105(c) of title 5, United States Code.

"(iv) SERVICE CEASES TO BE CREDITABLE FOR NAFI RETIREMENT SYSTEM PURPOSES.—Any qualifying NAFI service that becomes creditable for FERS purposes by virtue of an election made under this subparagraph shall not be creditable for purposes of any retirement system referred to in clause (iii).

"(v) CONDITIONS.—An election under this subparagraph shall be subject to requirements, similar to those set forth in subparagraph (C), to ensure that—

"(I) appropriate transfers of individual and Government contributions are made to the Civil Service Retirement and Disability Fund; and

"(II) the actuarial present value of future benefits under FERS attributable to service made creditable by such election is fully funded.

"(E) ALTERNATIVE ELECTION FOR AN INDIVIDUAL THEN PARTICIPATING IN A NAFI RETIREMENT SYSTEM.—

"(i) APPLICABILITY.—This subparagraph applies with respect to any individual who—

"(I) is then currently participating in any retirement system established for employees described in section 2105(c) of title 5, United States Code (in this subparagraph referred to as a 'NAFI retirement system'); and

“(II) would then otherwise be eligible to make an election under subparagraphs (A) through (C) of this paragraph (determined disregarding the matter in subclause (I) of subparagraph (B) before the first semicolon therein) based on a move from FERS.

“(ii) ELECTION.— An individual described in clause (i) may, instead of making an election for which such individual is otherwise eligible under this paragraph, elect to have all prior qualifying FERS service of such individual treated as creditable service for purposes of determining eligibility for benefits under a NAFI retirement system, but not for purposes of computing the amount of any such benefits except as provided in clause (v) (II).

“(iii) QUALIFYING FERS SERVICE.— For purposes of this subparagraph, the term ‘qualifying FERS service’ means any service which, but for this subparagraph, would be creditable for purposes of the Federal Employees’ Retirement System.

“(iv) SERVICE CEASES TO BE CREDITABLE FOR PURPOSES OF FERS.— Any qualifying FERS service that becomes creditable for NAFI purposes by virtue of an election made under this subparagraph shall not be creditable for purposes of the Federal Employees’ Retirement System.

“(v) FUNDING REQUIREMENTS.—

“(I) IN GENERAL.— Except as provided in subclause (II), nothing in this section or in any other provision of law or any other authority shall be considered to require any payment or transfer of monies in order for an election under this subparagraph to be effective.

“(II) CONTRIBUTION REQUIRED ONLY IF INDIVIDUAL ELECTS TO HAVE SERVICE MADE CREDITABLE FOR COMPUTATION PURPOSES AS WELL.— Under regulations prescribed by the appropriate administrative authority, an individual making an election under this subparagraph may further elect to have the qualifying FERS service made creditable for computation purposes under a NAFI retirement system, but only if the individual pays or arranges to pay, at a time and in a manner satisfactory to such administrative authority, the amount necessary to fully fund the actuarial present value of future benefits under the NAFI retirement system attributable to the qualifying FERS service.

“(3) INFORMATION.— The regulations under subsection (b) shall include provisions under which any individual—

“(A) shall, upon request, be provided information or assistance in determining whether such individual is eligible to make an election under paragraph (2) and, if so, the exact amount of any payment which would be required of such individual in connection with any such election; and

“(B) may seek any other information or assistance relating to any such election.”
