

**Instructions to Complete
Supplement to Annual Report of Packers
Form P&SP-3005**

As a packer, if you slaughter at more than one plant, you must submit a separate Form P&SP-3005 for each plant, in addition to Form P&SP-3004. The total values reported in Section 2 of each form P&SP-3005 will be combined and reported as the totals in Section 6 of Form PS&P-3004.

All items with an asterisk (*) following them must be completed before submitting the form to PSP. If the items are not completed when the form is received, the form will be returned for completion by the reporting firm.

FORM HEADER – BUSINESS ENTITY ID

Business Entity ID should be completed using information provided by P&SP. If the information is not already completed on the form, please contact your Regional P&SP office to obtain the number.

FORM HEADER – PREFERENCE FOR FILING

Select the method by which you prefer to receive your Annual Report; Electronic or Paper Copy. If you select Electronic, you will no longer receive a letter and forms via the Postal Service from P&SP reminding you that your annual report is due.

GENERAL INFORMATION - SECTION 1

Enter name, address and contact information for entity.

LIVESTOCK FEEDING OPERATIONS, PROCUREMENT AND SLAUGHTER – SECTION 2

Line 201-204: Enter plant name, mailing address of plant, and physical address of facility.

Line 205-206: Check highest level of inspection and inspection number if inspected.

Line 207: Check ownership status. Neither indicates plant performs custom slaughter for you.

Line 208-211: Enter name and address for four largest entities for whom you slaughtered on a custom basis at this plant during the reporting period.

Line 212-217: For each of the four entities listed on lines 208-211, enter total number of head of each category of livestock slaughtered by you on a custom basis during the reporting period.

Enter custom slaughter for all others on line 216. Enter column totals on line 217.

For lines 218 through 225 committed supply arrangements include marketing agreements, forward contracts, and formula contracts agreed on more than 14 days before slaughter. The term “formula contract” means the commitment of livestock for slaughter by any means other than through a negotiated purchase or a forward contract, using a method for calculating price in which the price is determined at a future date. Committed supply arrangements also include written and verbal agreements on delivery volume and pricing terms in some combination agreed on more than 14 days before slaughter, or to those commitments that only specify number of livestock delivered or commitments that only specify how price will be settled if livestock are delivered.

Line 218: Enter all livestock slaughtered that were owned, in whole or in part, more than 14 days by your firm or its subsidiaries, your firm’s parent or ultimate parent firm, or another firm owned, in whole or in part, by your firm’s parent or ultimate parent firm.

Line 219: Enter all livestock slaughtered that were procured from other packers through Committed Supply arrangements agreed on more than 14 days before slaughter.

Line 220: Enter all other livestock slaughtered that were procured through Committed Supply arrangements agreed on more than 14 days before slaughter.

Line 221: Enter column totals (218 through 220) on line 221.

Line 222: Enter all livestock slaughtered that were procured from other packers through non-committed supply arrangements, which procure 14 days or less before slaughter.

Line 223: Enter the number of head procured directly at the packing plant, buying stations, feedlots, etc. from non-committed supply arrangements, which procure 14 days or less before slaughter.

Line 224: Enter the number of head procured through public markets from non-committed supply arrangements, which procure 14 days or less before slaughter.

Line 225: Enter column totals (lines 222 through 224) on line 225.

Line 226: For each category of livestock procured but not slaughtered, enter the number of head sold during the reporting period.

Line 227: For each category of livestock procured but not slaughtered, enter the number of head that died or were condemned during the reporting period.

Line 228: Enter column totals (lines 226 and 227) on line 228.

Line 229: For each category of livestock, add lines 217, 221, 225, and subtract line 228; enter as Total Slaughter.

Line 230: For each category of livestock, enter total number of livestock slaughtered that were purchased and paid for on a dressed weight or a carcass merit basis (i.e., other than live weight purchases).

Line 231-232: Check the appropriate box to indicate whether or not you use any type of electronic evaluation device (other than scale) for payment determination. If yes, enter the type of equipment and the manufacturer.
