Title 13 United States Code (U.S.C.), Sections 131 and 182, authorizes the Census Bureau to conduct this collection. The U.S. Census Bureau is required by Section 9 of the same law to keep your information confidential and can use your responses only to produce statistics. The Census Bureau is not permitted to publicly release your responses in a way that could identify your business, organization, or institution. Per the Federal Cybersecurity Enhancement Act of 2015, your data are protected from cybersecurity risks through screening of the systems that transmit your data. This collection has been approved by the Office of Management and Budget (OMB). The eight-digit OMB approval number is 0607-0907 and appears at the upper right of this page. Without this approval, we could not conduct this survey.

6 INPATIENT DAYS AND DISCHARGES

Inpatient Days - The unit of measure in which lodging was provided and services rendered to inpatients.

- A patient who is formally admitted and who is discharged or dies on the same day is counted as one patient day, regardless of the number of hours the patient occupies a hospital bed. For patients switched from observation to inpatient status, the patient day count should begin on the day the patient was officially admitted as an inpatient. For inpatient admissions occurring before the current quarter or extending after the current quarter, record only those days that occur during the second quarter and exclude days occurring before or after the quarter. Do not include nursery discharges unless they are related to neonatal intermediate or intensive care units.

Include:

- Inpatient acute and sub-acute days
- Swing bed days
- Distinct part unit days
- Skilled nursing facilities days
- Long term care days

Exclude:

- Nursery days
- Newborn days

Discharges - The termination of the granting of lodging in the hospital and the formal release of the patient (including patients admitted and discharged on the same day).

- If a patient is discharged from an acute care unit and transferred to a swing bed or distinct part unit, one discharge would be recorded when the patient is discharged from the acute care unit and a second discharge recorded when the patient is discharged from the swing bed or distinct part unit. Do not include nursery discharges unless they are related to neonatal intermediate or intensive care units.
