

NOAA CoastWatch Voluntary User Questionnaire

1. The survey is intended to collect voluntary user feedback about CoastWatch Products and Services, and is authorized under OMB Control No. 0648-0342, which expires June 30, 2021.
2. Your responses will be used to improve existing CoastWatch Products and Services, and possibly introduce new products or features. Your submission is voluntary, anonymous, and all responses received will be for internal use only, and not publicly available.

Public reporting burden for this collection of information is estimated to average 7 minutes (0.08 hours) per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other suggestions for reducing this burden to Veronica Lance, Satellite Oceanography and Climatology Division of NESDIS/STAR, National Oceanic and Atmospheric Administration, 1401 Constitution Avenue NW, Room 5128, Washington, DC 20230 .

You may view NOAA's privacy statement [here](#). Notwithstanding any other provisions of the law, no person is required to respond to, nor shall any person be subjected to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number.

1. Which categories best describe your affiliation? (choose all applicable; you are welcome to add more information in "other" or "comments")

- NOAA
- Government - non NOAA
- Academia
- Commercial
- Non Governmental Organization (NGO)
- United States
- outside of United States
- Other

Comment:

2. How do you use satellite data? What are your applications?

350 characters left.

3. Which Satellite Data Products do you use or have interest in using? (check all that apply)

- Temperature
- Salinity
- Ocean Color (Turbidity, chlorophyll a, etc.)
- Altimetry
- Surface Winds
- Sea Ice
- Surface Roughness (SAR products)
- Unsure
- Other

4. Which software do you use (prefer)? (check all that apply)

- R
 - Python
 - ARCGIS
 - CoastWatch Utilities
 - MATLAB
 - Other
-

5. What new products or services would you like to see from CW?

350 characters left.

6. Please rate your satisfaction of CoastWatch data products and CoastWatch Services below

	Very Unsatisfied	Fair	Average	Good	Very Satisfied
CoastWatch (or Ocean Watch or PolarWatch) Data Products	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
CoastWatch (or Ocean Watch or PolarWatch) Services	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
