

Introduction

NWS Customer Survey for Official and Experimental Products/Services

OMB Control Number 0648-0342 Expires 6-30-2021

Note: This survey is intended to solicit and document your feedback, suggestions, and satisfaction for proposed Experimental Products or Services, and to solicit and document your feedback and suggestions on proposed changes to existing products or services, as applicable. We are not able to respond to questions you submit in this survey. For general or technical questions about this product or service, please refer to the Public Notification Statement or Product/Service Description Document describing the product/service. For general questions or comments about the survey itself, please contact the NWS at: nws.products@noaa.gov.

Optional Affiliation Question

Thank you for completing the survey! We'd now like to ask you a question about your affiliation. Your answer will only be used to help us understand some of the general characteristics of the people who have responded to this survey. These answers will help us assure that we capture the perspectives of a broad range of people from different backgrounds, which is critical to help us build a Weather Ready Nation.

Note: If you feel uncomfortable answering, you may skip it.

10. Which category best describes your affiliation?

- Individual
- Broadcast Meteorologist
- Other news/media
- Public safety/Emergency Management
- Other State/local government
- NOAA
- Other federal government
- Education
- Student/teacher
- University student
- University faculty
- Other research institute
- Business/industry
- Other (please specify)

11. To ensure a human is taking this survey, please select option "C" as your answer choice.
