SUPPLEMENTARY INFORMATION: In

provides the general public and other
Federal agencies with an opportunity to
comment on new, proposed, revised,

information. This helps us assess the
impact of our information collection
requirements and minimize the public's
reporting burden. It also helps the
public understand our information
collection requirements and provide the
requested data in the desired format. A
Federal Register notice with a 60-day
public comment period soliciting
comments on this collection of
information was published on April 5,
2018 (83 FR 14670), and the comment
period ended on June 4, 2018. The BLM
received one comment that did not
pertain to the collection of information.
The BLM did not revise the ICR in
response.

We are again soliciting comments on
the proposed ICR that is described
below. We are especially interested in
public comment addressing the
following issues: (1) Is the collection
necessary to the proper functions of the
BLM; (2) will this information be
processed and used in a timely manner;
(3) is the estimate of burden accurate;
(4) how might the BLM enhance the
quality, utility, and clarity of the
information to be collected; and (5) how
might the BLM minimize the burden of
this collection on the respondents,
including through the use of
information technology.
