FACILITY CHECKLIST FOR SPACES HOUSING DOI MUSEUM PROPERTY (NON-DOI FACILITIES)

Expiration Date: XX/XX/20XX

Purpose: This Checklist is required for evaluating facilities, procedures, and operations used to preserve and protect DOI museum collections in exhibit and storage spaces within non-DOI facilities. The Checklist is used in a dialog with responsible staff to evaluate compliance with the required standards in Part 411 of the Departmental Manual (411 DM), *Identifying and Managing Museum Property*, and DOI Museum Property Directive (Directive) #4, *Required Standards for Managing and Preserving Museum Property*. The Checklist is also used to develop corrective actions that will improve conditions in the spaces that house DOI museum collections.

Security Plan

A Security Plan establishes the museum security program. The Security Plan must include procedures for: 1) authorizing access, including key control and opening and closing requirements; 2) recording/tracking object movement; 3) using a combination of staff, mechanical devices, and/or electronic systems that are adequate to the risks; 4) securing exhibits at all times; and 5) staff training. The Security Plan has been reviewed, and updated if necessary, in the last five years.

Comments:

Integrated Pest Management Plan

An Integrated Pest Management (IPM) Plan specifies the procedures to prevent and resolve pest problems in the most efficient and ecologically sound manner without compromising the safety of the collections, visitors, and staff. The IPM Plan must be implemented for all spaces housing museum collections and include procedures for: 1) monitoring and inspecting the objects and spaces; 2) identifying and documenting the presence of pests; 3) discouraging/mitigating pests by habitat modification and good housekeeping; 4) response/treatment; and 5) training. The IPM Plan has been reviewed, and updated if necessary, in the last five years.

Comments:

Housekeeping Plan

A Housekeeping Plan provides clear direction for minimizing agents of deterioration and maintaining clean spaces and objects. The Housekeeping Plan must include: 1) procedures and schedules for performing housekeeping tasks; 2) proper handling and cleaning methods and techniques; 3) identifying and training responsible staff; 4) supplies and equipment to be used; and 5) restrictions on smoking, drinking, and eating in collection storage spaces and rules for these activities in other spaces. The Housekeeping Plan has been reviewed, and updated if necessary, in the last five years.

Paperwork Reduction Act Statement: This information is collected on a voluntary basis to satisfy DOI's responsibilities for ensuring the proper management of DOI museum collections held at non-Federal repositories as defined in 36 CFR Part 79. It is estimated that responding to the request will take an average of 2 hours to complete. This includes the amount of time it takes to gather the information and send it to the requestor. If you wish to make comments on the form and instructions, please send them to the U.S. Department of the Interior, Interior Museum Program, 1849 C Street N.W., MS-4262-MIB, Washington, D.C. 20240. Note: Comments, names and addresses of commentators are available for public review during regular business hours. If you wish us to withhold this information, you must state this prominently at the beginning of your comment. We will honor your request to the extent allowable by law. In compliance with the Paperwork Reduction Act of 1995, as amended, the collection has been reviewed by the Office of Management and Budget and assigned a control number and expiration date. The number and expiration date are at the top of these instructions. Please note that an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

² This Checklist does not adequately evaluate a storage space for fluid-preserved specimens. For information on best practices for storing and preserving fluid-preserved specimens, see Simmons 2009.
