(4) Paleontological resource

The term “paleontological resource” means any fossilized remains, traces, or imprints of

organisms, preserved in or on the earth’s crust, that are of paleontological interest and that provide information about the history of life on earth, except that the term does not include—

(A) any materials associated with an archaeological resource (as defined in section 470bb(1) of this title;¹ or

(B) any cultural item (as defined in section 3001 of title 25).

§ 470aaa-1. Management

(a) In general

The Secretary shall manage and protect paleontological resources on Federal land using scientific principles and expertise. The Secretary shall develop appropriate plans for inventory, monitoring, and the scientific and educational use of paleontological resources, in accordance with applicable agency laws, regulations, and policies. These plans shall emphasize inter-agency coordination and collaborative efforts where possible with non-Federal partners, the scientific community, and the general public.

(b) Coordination

To the extent possible, the Secretary of the Interior and the Secretary of Agriculture shall coordinate in the implementation of this chapter.

§ 470aaa-2. Public awareness and education program

The Secretary shall establish a program to increase public awareness about the significance of paleontological resources.

(Pub. L. 111-11, title VI, §6303, Mar. 30, 2009, 123 Stat. 1173.)

§ 470aaa-3. Collection of paleontological resources

(a) Permit requirement

(1) In general

Except as provided in this chapter, a paleontological resource may not be collected from Federal land without a permit issued under this chapter by the Secretary.

¹ So in original. A closing parenthesis probably should precede the semicolon.

(2) Casual collecting exception

The Secretary shall allow casual collecting without a permit on Federal land controlled or administered by the Bureau of Land Management, the Bureau of Reclamation, and the Forest Service, where such collection is consistent with the laws governing the management of those Federal land¹ and this chapter.

(3) Previous permit exception

Nothing in this section shall affect a valid permit issued prior to March 30, 2009.

(b) Criteria for issuance of a permit

The Secretary may issue a permit for the collection of a paleontological resource pursuant to an application if the Secretary determines that—

- (1) the applicant is qualified to carry out the permitted activity;
- (2) the permitted activity is undertaken for the purpose of furthering paleontological knowledge or for public education;
- (3) the permitted activity is consistent with any management plan applicable to the Federal land concerned; and
- (4) the proposed methods of collecting will not threaten significant natural or cultural resources.

(c) Permit specifications

A permit for the collection of a paleontological resource issued under this section shall contain such terms and conditions as the Secretary deems necessary to carry out the purposes of this chapter. Every permit shall include requirements that—

- (1) the paleontological resource that is collected from Federal land under the permit will remain the property of the United States;
- (2) the paleontological resource and copies of associated records will be preserved for the public in an approved repository, to be made available for scientific research and public education; and
- (3) specific locality data will not be released by the permittee or repository without the written permission of the Secretary.

(d) Modification, suspension, and revocation of permits

(1) The Secretary may modify, suspend, or revoke a permit issued under this section—

- (A) for resource, safety, or other management considerations; or
- (B) when there is a violation of term or condition of a permit issued pursuant to this section.

(1) excavate, remove, damage, or otherwise alter or deface or attempt to excavate, remove, damage, or otherwise alter or deface any paleontological resources located on Federal land unless such activity is conducted in accordance with this chapter;

(2) exchange, transport, export, receive, or offer to exchange, transport, export, or receive any paleontological resource if the person knew or should have known such resource to have been excavated or removed from Federal land in violation of any provisions, rule, regulation, law, ordinance, or permit in effect under Federal law, including this chapter; or

(3) sell or purchase or offer to sell or purchase any paleontological resource if the person knew or should have known such resource to have been excavated, removed, sold, purchased, exchanged, transported, or received from Federal land.

(b) False labeling offenses

A person may not make or submit any false record, account, or label for, or any false identification of, any paleontological resource excavated or removed from Federal land.

(c) Penalties

A person who knowingly violates or counsels, procures, solicits, or employs another person to violate subsection (a) or (b) shall, upon conviction, be fined in accordance with title 18 or imprisoned not more than 5 years, or both; but if the sum of the commercial and paleontological value of the paleontological resources involved and the cost of restoration and repair of such resources does not exceed \$500, such person shall be fined in accordance with title 18 or imprisoned not more than 2 years, or both.

(d) Multiple offenses

In the case of a second or subsequent violation by the same person, the amount of the penalty assessed under subsection (c) may be doubled.

In the case of a second or subsequent violation by the same person, the amount of a penalty assessed under paragraph (2) may be doubled.

(4) Limitation

The amount of any penalty assessed under this subsection for any 1 violation shall not exceed an amount equal to double the cost of response, restoration, and repair of resources and paleontological site damage plus double the scientific or fair market value of resources destroyed or not recovered.

(b) Petition for judicial review; collection of unpaid assessments**(1) Judicial review**

Any person against whom an order is issued assessing a penalty under subsection (a) may file a petition for judicial review of the order in the United States District Court for the District of Columbia or in the district in which the violation is alleged to have occurred within the 30-day period beginning on the date the order making the assessment was issued. Upon notice of such filing, the Secretary shall promptly file such a certified copy of the record on which the order was issued. The court shall hear the action on the record made before the Secretary and shall sustain the action if it is supported by substantial evidence on the record considered as a whole.

If any person fails to pay a penalty under this section within 30 days—

(A) after the order making assessment has become final and the person has not filed a petition for judicial review of the order in accordance with paragraph (1); or

(B) after a court in an action brought in paragraph (1) has entered a final judgment upholding the assessment of the penalty,¹

¹ So in original. Following provisions probably should be set flush with par. (2).

The district court shall have jurisdiction to hear and decide any such action. In such action, the validity, amount, and appropriateness of such penalty shall not be subject to review. Any person who fails to pay on a timely basis the amount of an assessment of a civil penalty as described in the first sentence of this paragraph shall be required to pay, in addition to such amount and interest, attorneys fees and costs for collection proceedings.

(c) Hearings

Hearings held during proceedings instituted under subsection (a) shall be conducted in accordance with section 554 of title 5.

(d) Use of recovered amounts

Penalties collected under this section shall be available to the Secretary and without further appropriation may be used only as follows:

(1) consistent with amounts established in regulations by the Secretary; or

(2) if no such regulation exists, an amount up to ½ of the penalties, to any person who furnishes information which leads to the finding of a civil violation, or the conviction of criminal violation, with respect to which the penalty was paid. If several persons provided the information, the amount shall be divided among the persons. No officer or employee of the United States or of any State or local government who furnishes information or renders service in the performance of his official duties shall be eligible for payment under this subsection.

(b) Forfeiture
