

INTRODUCTION

The purpose of this survey is to collect the opinions of course participants regarding the Cyber Onboarding New Employees (ONE) course. Please answer each question candidly, and be specific. We encourage you to take the time to write comments as they provide us with extremely valuable feedback.

All responses are anonymous and results will be reported as group data. This survey will remain open for two weeks. You will have ONE attempt to open and complete this survey. Your participation should take less than five (5) minutes.

The survey contains this introduction plus two sections of questions. As you complete each section, click "Submit" at the bottom of the page to proceed to the next section. At the end of the last section, select "Submit" to complete your survey.

Thank you for your participation.

SECTION 1 of 2: ASSESSMENT OF COURSE INSTRUCTION

Except where noted, each of the questions will use a Likert scale of:

Strongly Disagree – Disagree – Neutral – Agree – Strongly Agree – Not Applicable

Feedback on Course:

1. The content covered in this course matched what I expected to learn.
2. The material presented was useful and pertinent.
3. The time provided each topic was adequate.
4. The presenters were knowledgeable and engaging.
5. The course included sufficient real-life examples, situations and cases to facilitate my understanding of course content.
6. How would you rate the overall effectiveness of this course as an introduction to the Cyber Division? [*uses the following Likert Scale: Unacceptable – Not Satisfied – Satisfied – Very Satisfied – Excellent*]
7. Which aspects of this course were the MOST valuable to your overall learning experience? [open-ended question]
8. Which aspects of this course were the LEAST valuable to your overall learning experience? [open-ended question]
9. Were there other topics that you would like to have seen included? [open-ended question]
