INTRODUCTION

By completing this evaluation, you attest that you have completed the class portion of the SANS Institute course you indicate within the survey. You also attest that you understand the requirement to attempt any accompanying GIAC certification exam for this course to complete the course requirements.

Personal data is required to perform demographic analysis and to correlate your evaluation of the course to GIAC certification exam results. While your survey responses and comments will be identifiable in the raw data, all analysis will be reported as group data and not associated with any specific individual. We encourage you to take the time to write comments as they provide us with extremely valuable feedback.

The survey contains this introduction plus two sections of questions. As you complete each section, click "Submit" at the bottom of the page to proceed to the next section. At the end of the last section, select "Submit" to complete your survey.

Thank you for your participation.

Privacy Act Statement
Solicitation of information on this form is authorized by Title 34, United States Code (USC), Section 10211, which authorizes the Director of the FBI to establish and conduct training programs for state and local criminal justice personnel. The primary purpose of soliciting the requested information is to gather feedback from participants in courses offered through the FBI and correlate responses with certification exam results. Although provision of the information on this form is voluntary, any information provided on this form may be disseminated according to the provisions of Title 5, USC, Section 552a, more commonly known as the Privacy Act of 1974.
