**TITLE OF INFORMATION COLLECTION:**

Industry Usability Testing – Directorate of Defense Trade Controls IT Modernization Initiative Webinars.

**PURPOSE:**

In 2015 DDTC began a modernization initiative that will replace its legacy IT systems with a single portal case management system (CMS) which will allow both industry users and DDTC staff to smoothly and securely navigate the registration, licensing, and compliance functions of the Directorate. This test-use and usability information collection will allow industry users to interact DDTC staff and the new IT system as the phased implementation of the CMS begins. Because the focus of the CMS will be on user experience, information security, and usability, it is very important for DDTC staff to receive accurate and timely feedback so that the system can achieve the greatest possible buy-in and be reflexive to the needs of industry.
