

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 1405-0193)

TITLE OF INFORMATION COLLECTION: Acceptance Facility Oversight Customer Service Survey

PURPOSE: The purpose of the survey is to obtain feedback on Acceptance Facility Oversight’s passport acceptance facility inspections. The facilities we inspect already receive an inspection report and this survey would accompany the report and provide a method of feedback for the inspection we provided. We want to be able to determine if the facility is learning and adjusting based on our inspection and if there is any modification of our inspection that is needed to better serve the facilities we are inspecting. There is no cost to the government. The survey is embedded in e-mail reports that we already send out as part of our duties. The hosting website is free. Review of the completed surveys is no different than e-mail responses that we sometimes receive from acceptance facilities as part of our job duties.

DESCRIPTION OF RESPONDENTS: The survey goes out to Passport Application Acceptance Facilities when they receive their inspection report. As such, the survey is received by Program Managers and Facility Managers of acceptance facilities such as Post Offices, Municipal Offices, County Offices, Clerks of Court, Federal Courts, and Public Institutions of Higher Learning (such as community colleges and public universities) that make up the 8,200 designated acceptance facilities nationwide.
