Information for Setting Quarterly Dates for Submission of Quarterly Numbers of Displaced Students:

The Department has identified four suggested quarterly count dates for identifying numbers of eligible displaced students: October 1, 2017; December 1, 2017; February 1, 2018; and April 1, 2018. States may use these dates or select count dates that fall within a 21-day range for each of the quarters, that is, within 10 calendar days before or after these dates. Each State must select four specific dates for the quarterly counts and use those dates consistently for all applicants within the State. Please insert the State's selected quarter dates, consistent with this guidance, into the charts that follow.
