

Survey Open Notification:

The U.S. Energy Information Administration (EIA) is conducting its quarterly uranium survey, Form EIA-851Q *Domestic Uranium Production Report (Quarterly)*. It is essential for you to respond to this survey by July 15, 2017 in order for EIA to prepare accurate and timely reports.

Form EIA-851Q is used to collect data to update the *Domestic Uranium Production Report - Quarterly* at <http://www.eia.gov/uranium/production/quarterly/>. The form collects data on monthly uranium production and sources. The users of these data include Congress, Executive Branch agencies, the nuclear and uranium industry, and the public in general.

Response to this survey is mandatory and required pursuant to 15 U.S.C. §772(b). Your company's mandatory participation will continue into the future unless your company ceases to be involved in the (domestic) U.S. uranium industry. EIA estimates that the average reporting burden for this survey is 0.75 hours.

All information EIA collects for this survey about your company is confidential and will be used for statistical purposes only, in accordance with the Confidential Information Protection and Statistical Efficiency Act of 2002.

If you are a new user and require assistance, or if you are no longer the person submitting Form EIA-851Q, please contact us immediately using the contact information provided below.
