Dear Desk Officer:	INITIALS/SIG
This letter is a request for OMB to renew the approval of FAA Forms in 2120-0042.	DATE
All the Forms in this collection accept electronic signature in lieu of pen and ink signature however, they are not in full compliance with GPEA and the E-gov Act. Attached is informatic concerning this collection.	ROUTING SYMBOL OH MITTALS/SIG
It is the FAA's intent to fully comply with both statutes but this requires revising regulations allowing the use of digital signatures and acquiring a new electronic system that will support requests for service, digital signatures and attaching required documents and information.	DATE ROUTING SYMBOL INITIALS/SIG
The FAA committed to the Senate Commerce Committee that it would have a plan to accomplish this by November 1 of this year.	DATE
Please approve this request to renew the Forms in 2120-0042. This will an allow industry, businesses and individuals to continue to register aircraft while the FAA develops and implements its plan to reach full compliance.	ROUTING SYMBOL INITIALS/SIG
