

NASA Scientific Research Challenge Activity : Student Feedback Form (Post-survey)

Introduction: As a participant in this Scientific Research Challenge activity, you've been selected to take part in a brief questionnaire to test a future survey for clarity and comprehensibility of the questions therein. We also want to validate the estimate for how long it takes to complete this survey. **Therefore, we ask that you please note the time that you start this survey because we will ask at the end how long it took to complete this survey.**

Thank you for your cooperation! If you wish to participate in this test survey, please continue to the next page.

Paperwork Reduction Act Statement: This information collection meets the requirements of 44 U.S.C. §3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 2700-0159 and expires 04/20/2018. We estimate that it will take 15 minutes to read the instructions and answer the questions. Send only comments relating to this time estimate to: richard.l.gilmore@nasa.gov.

NASA Scientific Research Challenge Activity : Student Feedback Form (Post-survey)

Student Instructions: Congratulations again on taking part in a NASA educational activity! To improve this program for the future, all students who participate in this activity are being asked to complete a survey. There are no "right" or "wrong" answers to any of the questions. We want your honest answers. It should take no more than 15 minutes to complete the questions. NASA and its research team will make sure that only they will see your answers to this and future surveys for this activity. No report will use your name or describe you in any way that anyone could tell that it is you.

We also want your help to tell us how long it takes to complete this survey. So, please make note of the time that you start this survey because we will ask at the end how long it took you to complete this survey.

Thank you very much for your help!

If you wish to participate in this survey, please continue.

Your Views about Science

The next sets of questions contain a number of sentences about science. You will be asked what you think about these sentences. Please let us know how much you agree or disagree with each of the following sentences.

Next, we'd like to ask some questions about your experience with the NASA Scientific Research Challenge (SRC) and whether you found the activities useful.

10. How long did the NASA SRC take you to complete?

- More time than I expected
- About the time I expected
- Less time than I expected

11. How many times did you speak with a NASA scientist or engineer?

- Never (If Never, skip to #14)
- Once
- 2 times
- 3 times
- More than 3 times

12. How much do you agree with the following statement?

Talking with the NASA scientist or engineer helped me with the NASA SRC.

- Strongly Disagree
- Disagree
- Agree
- Strongly Agree

13. Were you able to apply what you were taught by the NASA scientists or engineers (also called subject matter experts) during the afterschool activities?

- Yes
- No

14. How hard was the NASA SRC for you?

- Very Easy
- Easy
- Not Easy, Not Hard
- Hard
- Very Hard

15. Did the scientific process you were taught during the NASA SRC activities make sense to you?

- The scientific process completely made sense.
- The scientific process kind of made sense.
- The scientific process did not make sense at all.

16. Were you able to apply what you were taught by your instructor to your final NASA SRC product?

- Yes
- No
