Do You Qualify?

Please answer these three basic pre-qualifying questions to see if you are eligible to apply for a NASA internship.

Eligibility

What is your most recent cumulative GPA on a 4.0 scale?

0.00

Click here if your school does not use a GPA.

I am at an institution that does not have a cumulative GPA. (Further documentation may be required.)

Are you a US citizen?

--None--

Are you currently a full-time student or registered as a full-time student in the upcoming semester?

--None--

Date of Birth?

ABOUT NASA INTERNSHIPS
Self-Identification of Disability
Each agency in the Executive branch of Federal government has established programs to facilitate the selection, placement, and advancement of individuals with disabilities. Self-identification of disability status is essential in these efforts. Self-identification is voluntary but your cooperation is critical in these efforts.
Examples of some disabilities or other serious health conditions are listed below:
Speech impairment
Spinal abnormalities, for example, spina bifida or scoliosis
Non-paralytic orthopedic impairments, for example, chronic pain, stiffness, weakness in bones or joints, some loss of ability to use part or parts of the body
HIV Positive/AIDS
Morbid obesity
Nervous system disorder for example, migraine headaches, Parkinson's disease, or multiple sclerosis
Cardiovascular or heart disease
Depression, anxiety disorder, or other psychiatric disorder
Blood diseases, for example, sickle cell anemia, hemophilia
Diabetes
Orthopedic impairments or osteo-arthritis
Pulmonary or respiratory conditions, for example, tuberculosis, asthma, emphysema
Kidney dysfunction
Cancer (present or past history)
Learning disability or attention deficit/hyperactivity disorder (ADD/ADHD)
Gastrointestinal disorders, for example, Crohn's Disease, irritable bowel syndrome, colitis, celiac disease, dysphexia
Autoimmune disorder, for example, lupus, fibromyalgia, rheumatoid arthritis
Liver disease, for example, hepatitis or chirrhosis
History of alcoholism or history of drug addiction (but not currently using illegal drugs)
Endocrine disorder, for example, thyroid dysfunction
Developmental Disability (i.e. autism spectrum disorder)
Traumatic Brain Injury
Deaf or serious difficulty hearing, benefiting from ASL, CART, hearing aids, a cochlear implant and/or other supports
Blind or serious difficulty seeing even when wearing glasses
Missing extremities (arm, leg, hand and/or foot)
Significant mobility impairment, benefiting from the utilization of a wheelchair, scooter, walker, leg braces(s) and/or other supports
Partial or complete paralysis (any cause)
Epilepsy or other seizure disorders
Intellectual disability
Significant Psychiatric Disorder (bipolar disorder, schizophrenia, PTSD, or major depression
Dwarfism
Significant disfigurement, for example disfigurements caused by burns, wounds, accidents, or congenital disorders

Education

If you just graduated high school and are transitioning to college the following semester, select Current High School Student below. If you have recently graduated from college, see the eligibility requirement in the help box at the right.

Which type of student are you? Refer to the help menu at the right for more information.*

- (●) Current High School Student
- ( ) College Student (and Graduates)

Next

Instructions and Help

Eligibility

You must be enrolled as a full-time student in order to apply. Applicants transitioning between high school and college or undergraduate and graduate pursuits are eligible if you have graduated within six months and can demonstrate enrollment in next-level of academic pursuit.

Academic Level

Classification of academic level for interns is determined at the time of application and is based on the highest degree achieved and academic level attained.

GPA

A minimum 3.0 GPA on a 4.0 scale is required. GPA is based on the current institution cumulative GPA. If no GPA is available at the current institution (i.e. student just transferred), the cumulative GPA from the previous institution is considered.
