RE: Nonsubstantive Revisions to Information Collection

FDIC is submitting for OMB review and approval minor, nonsubstantive revisions to the information collection entitled “Recordkeeping Requirements Associated with Real Estate Appraisals and Evaluations” (OMB Control Number 3064-0103). The FDIC is updating the respondent count and the responses per respondent. This is not a change in the methodology as reported in the Notice of Proposed Rulemaking submitted to and approved by OMB on a “preapproval” basis on December 11, 2017. Rather, this is the FDIC revising its estimates as reflected in the final rule published in the *Federal Register* on April 9, 2018.

If you have any questions, please let me know. Thank you for your consideration.
