Not

<sup>5</sup>So in original. The comma probably should not appear.

later than 30 days after the date of receipt of such certification by a Governor of a State, the Administration shall respond in writing to that Governor on its determination and the reasons therefore,<sup>6</sup> and may then make such loans as would have been available under this paragraph if a disaster declaration had been issued.

*Provided*, That no loan or guarantee shall be extended pursuant to this paragraph (2) unless the Administration finds that the applicant is not able to obtain credit elsewhere.

(B) The Administration may make such disaster loans (either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred basis) to assist a small business concern that has suffered or that is likely to suffer substantial economic injury as the result of an essential employee of such small business concern being ordered to active military duty during a period of military conflict.

(C) A small business concern described in subparagraph (B) shall be eligible to apply for assistance under this paragraph during the period beginning on the date on which the essential employee is ordered to active duty and ending on the date that is 1 year after the date on which such essential employee is discharged or released from active duty. The Administrator may, when appropriate (as determined by the Administrator), extend the ending date specified in the preceding sentence by not more than 1 year.

(B) WAIVER AUTHORITY.—The Administrator may, at the discretion of the Administrator, increase the aggregate loan amount under subparagraph (A) for loans relating to a disaster to a level established by the Administrator, based on appropriate economic indicators for the region in which that disaster occurred.

(9) DECLARATION OF ELIGIBILITY FOR ADDITIONAL DISASTER ASSISTANCE.—

(A) IN GENERAL.—If the President declares a major disaster, the Administrator may declare eligibility for additional disaster assistance in accordance with this paragraph.

## (C) ADDITIONAL ECONOMIC INJURY DISASTER LOAN ASSISTANCE.—

(i) IN GENERAL.—If the Administrator declares eligibility for additional disaster assistance under this paragraph, the Administrator may make such loans under this subparagraph (either directly or in cooperation with banks or other lending institutions through agreements to participate on an immediate or deferred basis) as the Administrator determines appropriate to eligible small business concerns located anywhere in the United States.

## (ii) PROCESSING TIME.—

(I) IN GENERAL.—If the Administrator determines that the average processing time for applications for disaster loans under this subparagraph relating to a specific major disaster is more than 15 days, the Administrator shall give priority to the processing of such applications submitted by eligible small business concerns located inside the disaster area, until the Administrator determines that the average processing time for such applications is not more than 15 days.

(II) SUSPENSION OF APPLICATIONS FROM OUTSIDE DISASTER AREA.—If the Administrator determines that the average processing time for applications for disaster loans under this subparagraph relating to a specific major disaster is more than 30 days, the Administrator shall suspend the processing of such applications submitted by eligible small business concerns located outside the disaster area, until the Administrator determines that the average processing time for such applications is not more than 15 days.

(iii) LOAN TERMS.—A loan under this subparagraph shall be made on the same terms as a loan under paragraph (2).

## (D) DEFINITIONS.—In this paragraph—

(i) the term “disaster area” means the area for which the applicable major disaster was declared;

(I) meet its obligations as it matures;

(II) meet its ordinary and necessary operating expenses; or

(III) market, produce, or provide a product or service ordinarily marketed, produced, or provided by the business concern because the business concern relies on materials from the disaster area or sells or markets in the disaster area; and

(iii) the term “eligible small business concern” means a small business concern—

(I) that has suffered disaster-related substantial economic injury as a result of the applicable major disaster; and

(II)(aa) for which not less than 25 percent of the market share of that small business concern is from business transacted in the disaster area;

(bb) for which not less than 25 percent of an input into a production process of that small business concern is from the disaster area; or

(cc) that relies on a provider located in the disaster area for a service that is not readily available elsewhere.

No loan under this subsection, including renewals and extensions thereof, may be made for a period or periods exceeding thirty years: *Provided*, That the Administrator may consent to a suspension in the payment of principal and interest charges on, and to an extension in the maturity of, the Federal share of any loan under this subsection for a period not to exceed five years, if (A) the borrower under such loan is a homeowner or a small business concern, (B) the loan was made to enable (i) such homeowner to repair or replace his home, or (ii) such concern to repair or replace plant or equipment which was damaged or destroyed as the result of a disaster meeting the requirements of clause (A) or (B) of paragraph (2) of this subsection, and (C) the Administrator determines such action is necessary to avoid severe financial hardship: *Provided further*, That the provisions of paragraph (1) of subsection (d) of this section shall not be applicable to any such loan having a maturity in excess of twenty years. Notwithstanding any other provision of law, and except as provided in subsection (d), the interest rate on the Administration's share of any loan made under subsection (b) shall not exceed the average annual interest rate on all interest-bearing obligations of the United States then forming a part of the public debt as computed at the end of the fiscal year next preceding the date of the loan and adjusted to the nearest one-eighth of 1 per centum plus one-quarter of 1 per centum: *Provided, however*, That the interest rate for loans made under paragraphs (1) and (2) hereof shall not exceed the rate of interest which is in effect at the time of the occurrence of the disaster. In agreements to participate in loans on a deferred basis under this subsection, such participation by the Administration shall not be in excess of 90 per centum of the balance of the loan outstanding at the time of disbursement. Notwithstanding any other provision of law, the interest rate on the Administration's share of any loan made pursuant to paragraph (1) of this subsection to repair or replace a primary residence and/or replace or repair damaged or destroyed personal property, less the amount of compensation by insurance or otherwise, with respect to a disaster occurring on or after July 1, 1976, and prior to October 1, 1978, shall be: 1 per centum on the amount of such loan not exceeding \$10,000, and 3 per centum on the amount of such loan over \$10,000 but not exceeding \$40,000. The interest rate on the Administration's share of the first \$250,000 of all other loans made pursuant to paragraph (1) of this subsection, with respect to a disaster occurring on or after July 1, 1976, and prior to October 1, 1978, shall be 3 per centum. All repayments of principal on the Administration's share of any loan made under the above provisions shall first be applied to reduce the principal sum of such loan which bears interest at the lower rates provided in this paragraph. The principal amount of any

loan made pursuant to paragraph (1) in connection with a disaster which occurs on or after April 1, 1977, but prior to January 1, 1978, may be increased by such amount, but not more than \$2,000, as the Administration determines to be reasonable in light of the amount and nature of loss, damage, or injury sustained in order to finance the installation of insulation in the property which was lost, damaged, or injured, if the uninsured, damaged portion of the property is 10 per centum or more of the market value of the property at the time of the disaster. Not later than June 1, 1978, the Administration shall prepare and transmit to the Select Committee on Small Business of the Senate, the Committee on Small Business of the House of Representatives, and the Committees of the Senate and House of Representatives having jurisdiction over measures relating to energy conservation, a report on its activities under this paragraph, including therein an evaluation of the effect of such activities on encouraging the installation of insulation in property which is repaired or replaced after a disaster which is subject to this paragraph, and its recommendations with respect to the continuation, modification, or termination of such activities.

In the administration of the disaster loan program under paragraphs (1) and (2) of this subsection, in the case of property loss or damage or injury resulting from a major disaster as determined by the President or a disaster as determined by the Administrator which occurs on or after January 1, 1971, and prior to July 1, 1973, the Small Business Administration, to the extent such loss or damage or injury is not compensated for by insurance or otherwise—

(A) may make any loan for repair, rehabilitation, or replacement of property damaged or destroyed without regard to whether the required financial assistance is otherwise available from private sources;

(B) may, in the case of the total destruction or substantial property damage of a home or business concern, refinance any mortgage or other liens outstanding against the destroyed or damaged property if such property is to be repaired, rehabilitated, or replaced, except that (1) in the case of a business concern, the amount refinanced shall not exceed the amount of the physical loss sustained, and (2) in the case of a home, the amount of each monthly payment of principal and interest on the loan after refinancing under this clause shall not be less than the amount of each such payment made prior to such refinancing;

(C) may, in the case of a loan made under clause (A) or a mortgage or other lien refinanced under clause (B) in connection with the destruction of, or substantial damage to, property owned and used as a residence by an individual who by reason of retirement, disability, or other similar circumstances relies for support on survivor, disability, or retirement benefits under a pension, insurance, or other programs, consent to the suspension of the payments of the principal of that loan, mortgage, or lien during the lifetime of that individual and his spouse for so long as the Administration determines that making such payments would constitute a substantial hardship;

(D) shall notwithstanding the provisions of any other law and upon presentation by the applicant of proof of loss or damage or injury and a bona fide estimate of cost of repair, rehabilitation, or replacement, cancel the principal of any loan made to cover a loss or damage or injury resulting from such disaster, except that—

(i) with respect to a loan made in connection with a disaster occurring on or after January 1, 1971 but prior to January 1, 1972, the total amount so canceled shall not exceed \$2,500, and the interest on the balance of the loan shall be at a rate of 3 per centum per annum; and

(ii) with respect to a loan made in connection with a disaster occurring on or after January 1, 1972 but prior to July 1, 1973, the total amount so canceled shall not exceed \$5,000 and the interest on the balance of the loan shall be at a rate of 1 per centum per annum.

(E)<sup>8</sup> A State grant made on or prior to July 1, 1979, shall not be considered compensation for the purpose of applying the provisions of section 312(a) of the Disaster Relief and Emergency Assistance Act [42 U.S.C. 5155(a)] to a disaster loan under paragraph (1) (2)<sup>9</sup> of this subsection.

With respect to any loan referred to in clause (D) which is outstanding on August 16, 1972, the Administrator shall—

(i) make such change in the interest rate on the balance of such loan as is required under that clause effective as of August 16, 1972; and

(ii) in applying the limitation set forth in that clause with respect to the total amount of such loan which may be canceled, consider as part of the amount so canceled any part of such loan which was previously canceled pursuant to section 231 of the Disaster Relief Act of 1970 [15 U.S.C. 636a].

Whoever wrongfully misapplies the proceeds of a loan obtained under this subsection shall be civilly liable to the Administrator in an amount equal to one-and-one half times the original principal amount of the loan.
