The 2018 Irrigation and Water Management Survey is coming soon!

In the next several weeks, USDA's National Agricultural Statistics Service (NASS) will conduct the 2018 Irrigation and Water Management Survey.

Response is required and essential. The resulting information can help:

- Conserve water
- Identify ways to use water more efficiently
- Impact irrigation policy decisions

The 2018 Irrigation and Water Management Survey is part of the Census of Agriculture Program. This is your chance to make your voice heard on the important issues of water use. We guarantee that your individual responses will be kept strictly confidential as required by U.S. law. Learn about this survey at www.agcensus.usda.gov/irrigation.

Look for your 2018 Irrigation and Water Management Survey in the mail this winter!
