TEXT:

If you have already completed the 2018 Irrigation and Water Management Survey form, thank you. If not, please do so by February **XX**, 2019. This survey is your opportunity to impact federal, state, and local irrigation policies.

We guarantee that your individual responses will be kept confidential, as required by U.S. law. The same law also makes your participation in the 2018 Irrigation and Water Management Survey mandatory, as the survey is a part of the Census of Agriculture.

Just as with Census, this survey is **Your Voice, Your Future, Your Opportunity.**
