

Appendix 13: Reminder Notification for Schools and CACFP Organizations

Dear Team Nutrition Schools,

School Year 2016-2017 is coming to a close! Thank you for all your hard work to help students make healthier food choices and be more physically active through lessons, events, promotions, and school meals. More than 52,000 schools across the country are currently part of the [Team Nutrition School network](#). Together we are working to make sure all students have a healthier school environment to learn, grow, and thrive in.

Now, it's time to enjoy a healthy summer break. We encourage you to use [Team Nutrition Summer Resources](#) to get students and their families excited about healthy food choices and physical activities that they can enjoy together while school is out. These resources are available in English and Spanish. Request them through our [online order form](#), or for bulk orders, please send an email to TeamNutrition@fns.usda.gov.

If your school staff information changes over the summer, remember to update your school information in our [Team Nutrition School page](#) so we can all stay in touch for Back-to-School.

Thanks again for another healthy school year!

Healthy Regards,
Team Nutrition Staff

[Don't miss](#) important Team Nutrition Updates

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0584-XXXX. The time required to complete this information collection is estimated to average 1.5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

Dear Team Nutrition CACFP Organizations,

School Year 20XX-20XX is coming to a close!
