INTRODUCTION

Hello, my name is _____ and I am conducting interviews today with visitors to the Upper Chattooga River on behalf of the U.S. Forest Service. For this survey, the Upper Chattooga River is defined as all sites on the Chattooga Wild and Scenic River upstream of the Highway 28 Bridge crossing and downstream of Green Creek confluence with the Chattooga. The information will be used as part of ongoing management for the Upper Chattooga River. I'd like to ask you some questions about your visit. Your participation is voluntary and your responses will be kept confidential. The survey will take approximately 10 minutes of your time.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0596-0236. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
