Dear <<Last Name>> Household

You are invited to participate in a survey that <<Contractor>> is conducting on behalf of the National Oceanic and Atmospheric Administration (NOAA). The survey asks about your boating and fishing activities in Florida. The results will be used to learn more about the environment and help improve the quality of marine and coastal resources.

For this study to be accurate, we need all boat owners who are selected to complete this short survey online. Your address was randomly picked from a list of licensed boater owners in Florida, and we can't replace you with someone else. Your responses will help all boat owners in Florida have their voices heard.

This survey should be completed by an adult living at this address. We have included a small gift as a way of saying thank you for your help. **To participate in the online survey:**

1. Take note of your unique survey ID: {RESTORE ID}
2. Go to **www.boatfishsurvey.com** and enter your survey ID in the space provided.

This is a voluntary survey, and your responses are confidential and will only be used in combination with answers from other households. If you have any questions or comments about this study, we will be happy to talk to you. Please call 1-888-xxx-xxxx.

Please keep this letter until you have completed your survey, as it contains your personal password and you cannot complete the survey without it. Thank you very much for your help with this important study.

Yours sincerely,

A handwritten signature in black ink, appearing to be "D. Carter".
