OMB Control # 0648-0376 Expires 06/30/2018

Privacy Act Statement:

Authority: The authority regarding establishment of Fishing Capacity Reduction Programs is 16 U.S.C. §1861 (b)-(e). §§ 600.1000-600.1017 provides the Fishing Capacity Reduction Framework. Specific Fishery or Program Fishing Capacity Regulations authorizations are §§ 600.1100-600.1108.

Purpose: NMFS requests information from fish buyers and sellers to ensure accurate management and repayment of buyback loans.

Routine Uses: NMFS will enforce the collection of all fee payments and bring legal actions for collection enforcement against any fish seller or fish buyer who fails to pay, collect, deposit, and/or disburse the fee in accordance with the regulations. NMFS will audit ex-vessel landing records and fish buyer records for the purpose of determining and enforcing compliance. NMFS will use this information to determine compliance with §§ 600.1000-600.1017. Disclosure of this information is permitted under the Privacy Act of 1974 (5 U.S.C. Section 552a), to be shared within NMFS' Financial Services Division. Disclosure of this information is also subject to all of the published routine uses as identified in Commerce/NOAA-21, Financial Services Division.
