

SAWG Advisory Working Group

Opening, introduction of panel, process way forward

Questions

1. Can you describe any experiences and skills you would bring to the Group to address Army survivor issues impacting Families worldwide?

2. This program requires an understanding of being able to read, evaluate and intrepret Army policies. Examples would be TRICARE, Survivor Benefit Plan, and so on. Describe a current quality of life issue affecting Army survivors worldwide that you would recommend the Army address to enhance services for that community?

3. Describe a situation where in the past you provided guidance, recommendations, or direction to an individual. How did you approach that person? How did the conversation, discussion go?

4. How would you handle a situation in which the Army has deemed an issue as unattainable? If you did not agree with the recommendation, how would you address the issue at the meeting?

5. Is there anything else you would like to tell us before we end the call?
