MEMORANDUM FOR: Jessica M. Sharkey, MPH, Clinical Public Health and Epidemiology
Directorate, Army Public Health Center

SUBJECT: OPA/DMDC Review of: Health Status Evaluation of an Infantry Battalion
Following Deployment in Support of Operation Iraqi Freedom

As requested, we have reviewed "Health Status Evaluation of an Infantry Battalion Following Deployment in Support of Operation Iraqi Freedom" and supporting materials as part of the OMB submission process through WHS/OIM. The concerns raised in our review have been adequately addressed. Our recommendation to WHS/OIM is that the study protocol and the data collection materials are sufficiently designed and developed in order to be sent forward as required to obtain OMB clearance for a Public Information Collection.

The point of contact for this review is Dr. Paul Rosenfeld, 571-372-0987,
