Attachment 3: EvaluationWeb Home Page

The screenshot shows a Windows desktop environment with a web browser window open to the EvaluationWeb homepage. The browser's address bar displays the URL <https://cdc-ew.lutherconsulting.com/evaluationWebV6/bin-debug/admin.html?c=HvWn8G8h>. The main content area of the browser shows the EvaluationWeb interface, which includes a sidebar with links for Reports, Personal Settings, and Other, and a central area with a map of the United States labeled 'CDC PPB/PEB'. The top right of the browser window shows the EvaluationWeb logo and a help icon. Below the browser, the Windows taskbar is visible, showing icons for various applications like File Explorer, Word, and Excel, along with system status icons.
