Re: [Insert Program Year] DP17-1701 NBCCEDP Annual Grantee Survey

The 2018 NBCCEDP Annual Grantee Survey is here!

CDC is conducting a survey to better understand how grantees are implementing the National Breast and Cervical Cancer Early Detection Program (NBCCEDP). The survey will provide CDC information about activities conducted during DP17-1701 [Program Year] by NBCCEDP grantees and identify important technical assistance and training needs. Survey results will be used to improve the program. A report summarizing results will be generated for each grantee.

Here are some details about the survey you need to know:

1. The person responsible for day-to-day management of the program should complete this survey.
2. The survey covers DP17-1701 [insert program year, start and end dates]
3. The survey should take approximately 45 minutes to complete.
4. Your responses will be kept in a secure manner.
5. Please review the instructions before starting the survey.
