## PPS-Exempt Cancer Hospital Quality Reporting (PCHQR) Program

Web-Based Application for Clinical Care Measure

## Online Data Entry Tool Content for FY 2017 and Subsequent Years

## (NQF 1822) External Beam Radiotherapy for Bone Metastases Overview

This measure reports the percentage of patients, regardless of age, with a diagnosis of painful bone metastases and no history of previous radiation who receive external beam radiation therapy (EBRT) with an acceptable fractionation scheme.

\*Final web design is subject to change as it is dependent on web real estate and IT capacity. Changes will not impact the data elements but rather the application layout.\*

## Accessing the Web-Based Application

The user enters their assigned User ID and password to access the secure site and information for their individual hospital.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0938-1175 and expires XX/XX/XXXX. The time required to complete this information collection is estimated to average 10 minutes per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850. \*\*\*\*\*CMS Disclaimer\*\*\*\*\*\*Please do not send applications, claims, payments, medical records or any documents containing sensitive information to the PRA Reports Clearance Office. Please note that any correspondence not pertaining to the information collection burden approved under the associated OMB control number for will not be reviewed, forwarded, or retained. If you have guestions or concerns regarding where to submit your documents, please contact James Poyer at (410) 786-2261.
